## Jessica's back!

### Miss Wright returns, with *TOWIE* in tow!

**NO DOUBT** "Arg tries in vain to lose weight" is still, inexplicably, going to be a major storyline in series eight of *TOWIE*, which returns to our flat screens on Sunday. But we tune in mostly for the glimpses of chirpy chanteuse Jessica Wright.

So we kept these lovely shots of Jess modelling the awesome new range from lingerie chaps Alexis Smith in a cupboard for the return of the show. It's lingerie crafted especially for ladies who've had boob jobs. And is, therefore, as Essex-y as hair you can use to bang nails in and skin with a half-life.

**WOWIE! IT CAN ONLY BE *TOWIE*!**

Jess and the rest of the *TOWIE* crew return to ITV2 on Sunday, 24 Feb at 10pm.

"Go on, throw my dress on, like a hoopla!"

# *Nuts* horse burger test!

## Cow or horse burger? We do a taste test!

**ALL THE** recent shenanigans about naughty food suppliers slipping horsey bits and bobs into the nation's value burgers got us thinking. While mislabelling food and misleading consumers is definitely a very bad thing, what, we at *Nuts* pondered, really is wrong with chowing down on a decent bit of horse?

So armed with some fine red wine and mustard horse burgers from the purveyors of specialist exotic meat at Kezie Foods (responsibly sourced from France, available to buy online at www.keziefoods.co.uk) we cooked up some horse and some cow, and let the punters at our local, Southwark's Union Jack public house, decide. The results? Surprising...

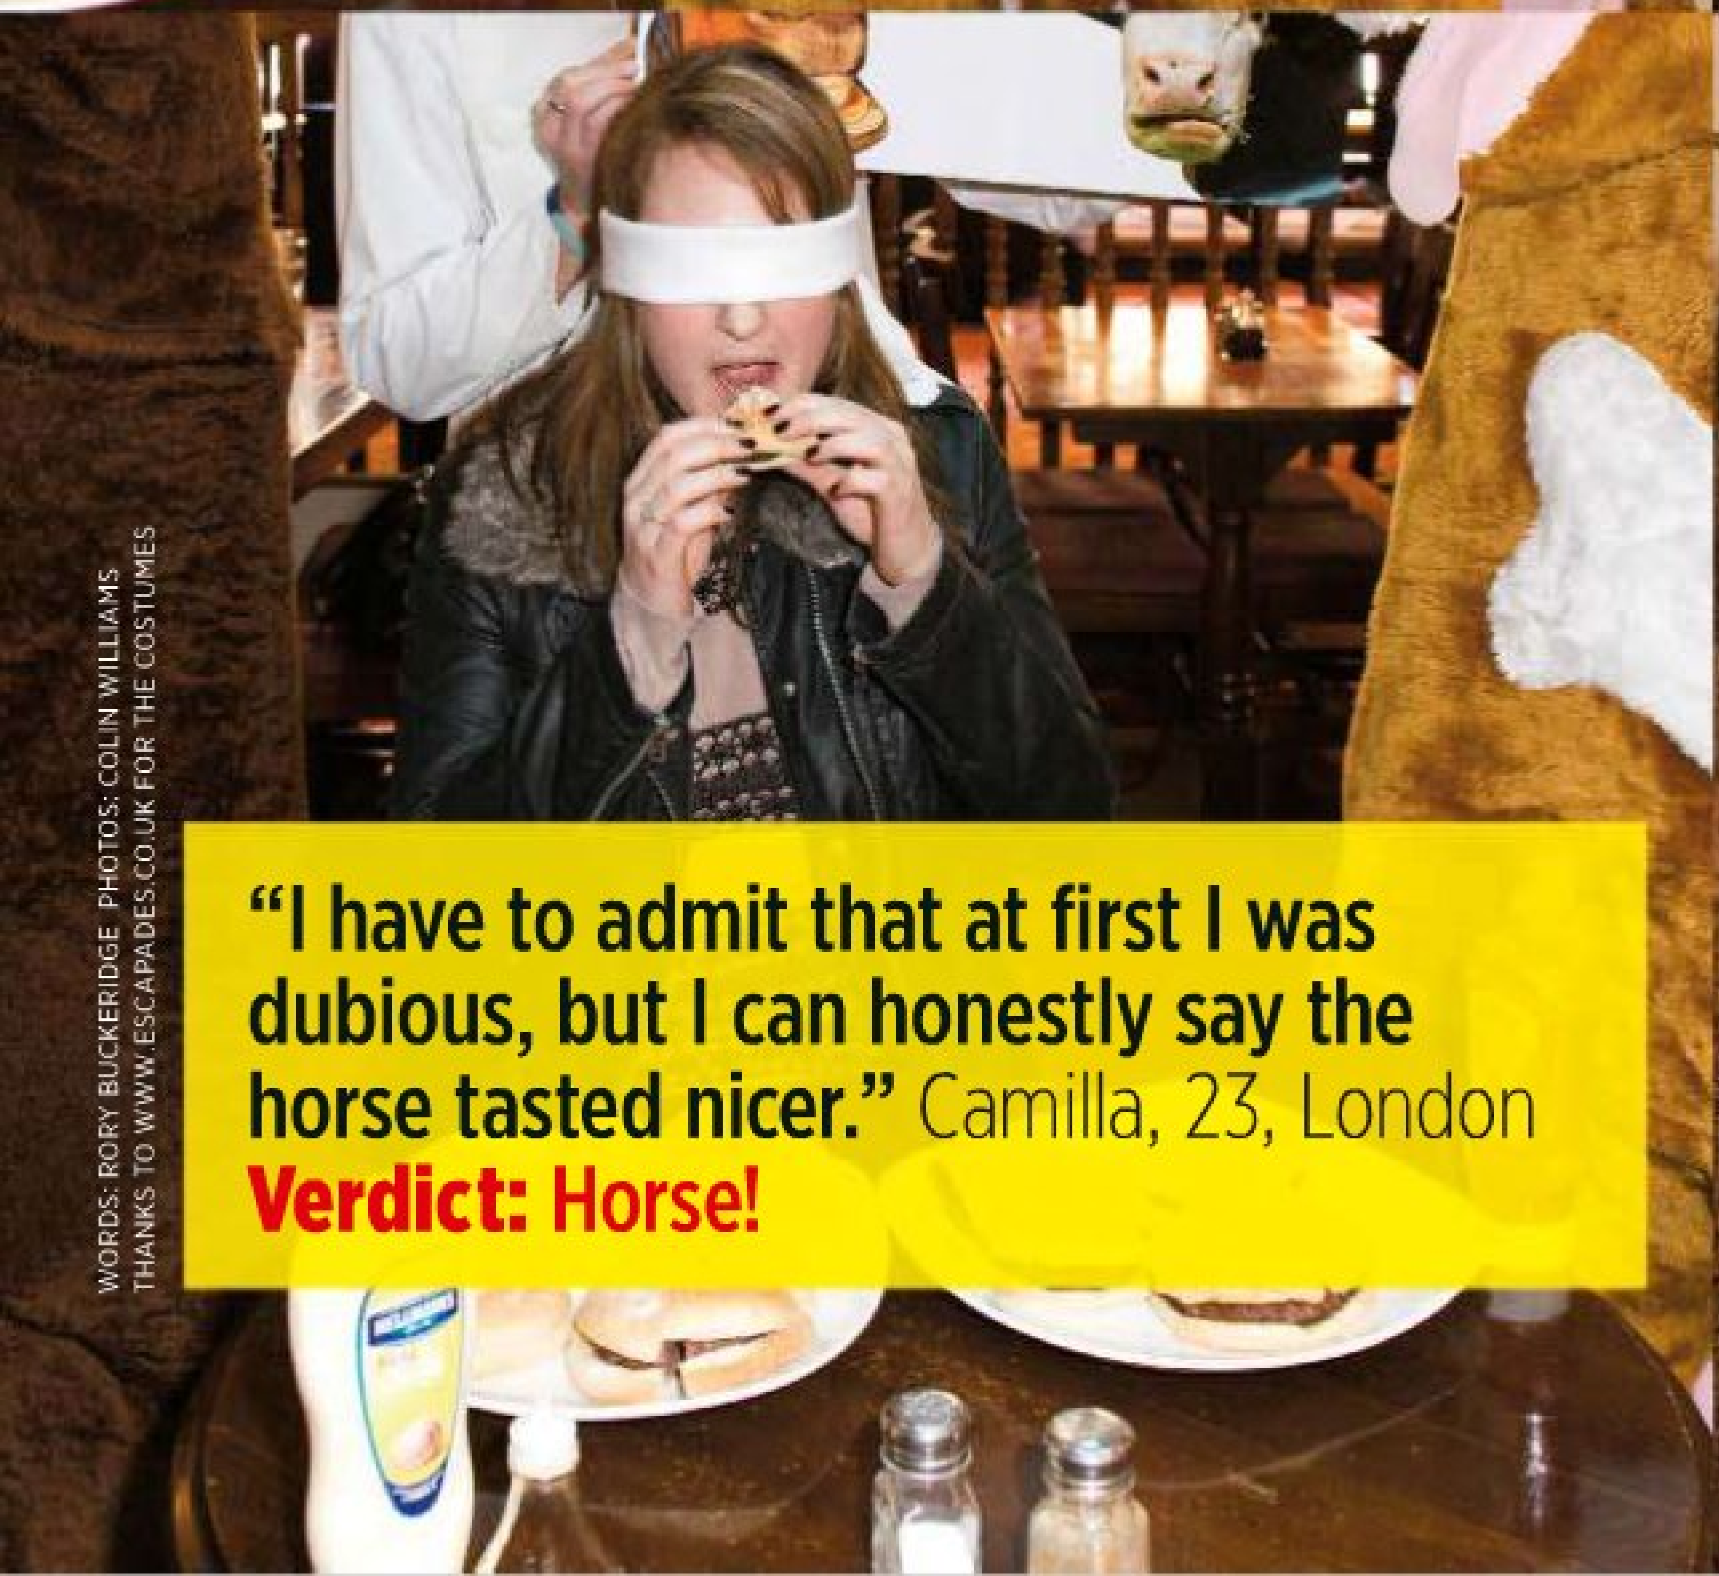
### A MEATY STORY!

It's been all over the news that we've been chomping on nag for months. Like a load of French blokes!

**"The beefburger was average. A bit dry. The horse tasted like pony, but it was still good!"** Jack, 28, Dagenham
**Verdict: Horse!**



**"I have to admit that at first I was dubious, but I can honestly say the horse tasted nicer."** Camilla, 23, London

BURGER TASTE TEST!

**"They're both a better option than having a McDonald's. But I'll take the horse, please!"** Holly, 25, Cambridge
**Verdict: Horse!**

**"The horse burger's definitely nicer. It's more substantial and has more flavour."** Michael, 32, London
**Verdict: Horse!**

## Verdict

It's a whitewash victory for the horse burgers. Dobbin wins by a length!

# All-new Harry Hill gags!

**Funnies from the neckless comedian's new tour!**

**"The poppy was of significance for my grandpa because between the years 1939 and 1945, he was a heroin addict."**

**"I've just got back from drooling all over an Eastern European leader. You could say I Slobodan Milošević."**

"We tried to make him go to rehab but he said... No, I can't remember. But I remember he wasn't keen on the whole idea."

"Who's that Alan bloke Muslims are so keen to locate? Alan? Alan?"

**"Jimmy Carr, Jimmy Hill, Jimmy Nail. What is it about the name Jimmy that suggests a fatal accident on an incline?"**

"When I got in last night, there's Dad relaxing with his feet up. Well, he'd hanged himself."

**"It's difficult to tell if a dolphin is asphyxiated because they're show-offs. And they're blue."**

"Bubble wrap? Don't be ridiculous. You can't wrap a bubble without it bursting. If you want to transport a bubble, you waft it with a bit of card."

"I was standing on the beach with that girl who wrote that song, *I Wish I Was A Punk Rocker With Flowers In My Hair*. Sandi Thom? Yes, the cucumber was all greasy, too."

"Brian May, Brian Cant. What is it about the name Brian that suggests an unwillingness to commit to a project?"

**"[Bites into a French stick with a child's belt inside.] No, mum, I said a BLT."**

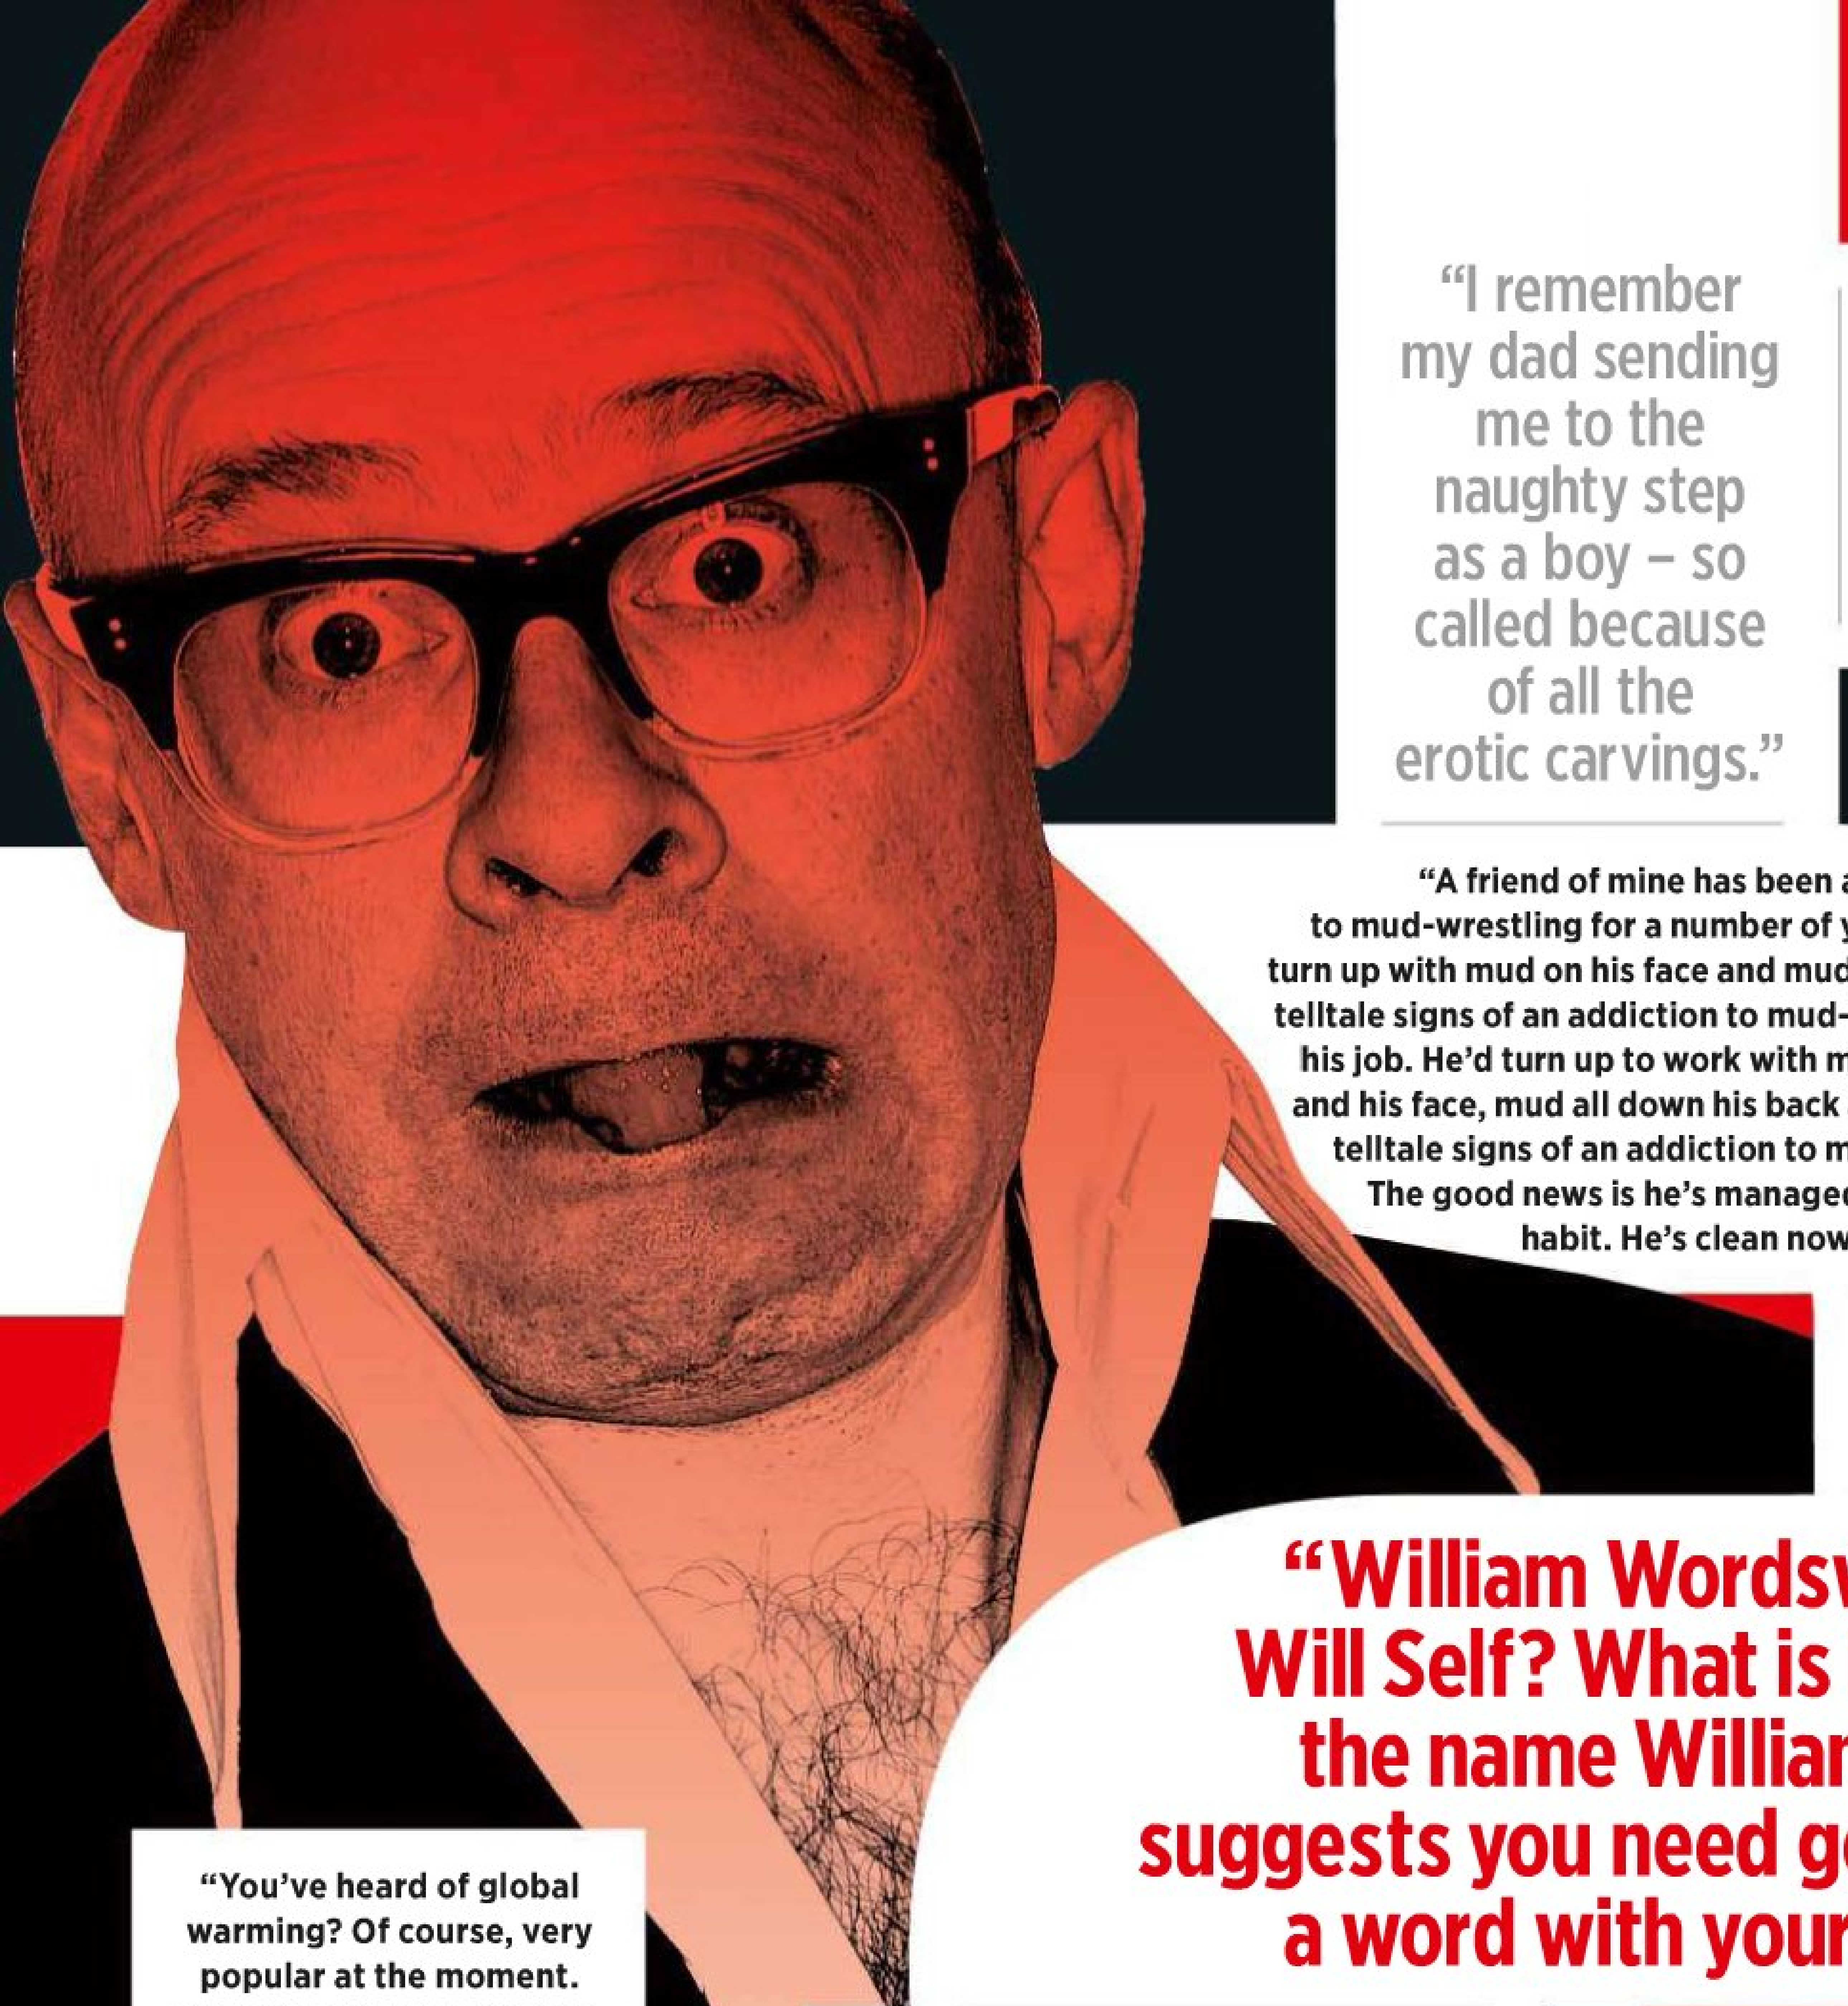
**"Don't you believe in God? Then how do you explain a rainbow? The refraction of the different light waves into their constituent colours? Don't be ridiculous."**

**"My sister over-dosed on the morning after pill and woke up three years into the future."**

"My mum is the main breadwinner in the family, although she has found it increasingly difficult to find competitions where bread is the main prize."

"Of course, don't put flip flops on a horse because the resulting sound is extremely confusing. Flip, clop, clip, flop, flip, clip..."

PHOTOS: REX FEATURES, GUARDIAN



"I remember my dad sending me to the naughty step as a boy – so called because of all the erotic carvings."

"What I like to do sometimes, I stand on a bridge and I throw a stick over one side and I run around to the other side to see if it has derailed the train. It's great fun."

**"A friend of mine has been addicted to mud-wrestling for a number of years. He would turn up with mud on his face and mud on his hands. The telltale signs of an addiction to mud-wrestling. He lost his job. He'd turn up to work with mud on his hands and his face, mud all down his back and his legs. The telltale signs of an addiction to mud-wrestling. The good news is he's managed to kick the habit. He's clean now."**

"One man clapping. A little embarrassing. Especially after sex, I find."

**"William Wordsworth? Will Self? What is it about the name William that suggests you need go and have a word with yourself?"**

**"You've heard of global warming? Of course, very popular at the moment. Global warming is caused, as you know, by the tiny red standby light on the TV. It's only small that light but it does get hot. Sometimes what I like to do, I like to get a little piece of mince on a pin and sizzle it up in the old standby light barbecue. I know you're thinking, 'How are you serving that, Harry?' Since you ask, I'm serving that on the white disc of paper you get out of a hole punch."**

"You can joke but you're not going to get the Archbishop of Canterbury flying his light aircraft into your bungalow. Because they don't take it so serious, do they? It's more of a hobby with them... [Sings] 'Here's the church. Here's the steeple. Look inside.' Yeah, not as popular as they used to be, are they?"

"Nando's? No, my nan doesn't."

"I can't believe they've found horsemeat in burgers, can you? But I think there was a sign. I think the horses were trying to tell us. Not, Findus. Find us."

**"My nan had to have her other hand amputated. And instead of a hook which is the fashion these days, on this hand, Nan went for a USB memory stick so she could back up her files."**

# *Gears Of War: Judgment* – first play!

**Darkened room. Sweaty-palmed *Nuts* man. First hands-on. Bring on the Locust! Brrrap!**

SO *GEARS Of War: Judgment* is a cheeky prequel made by Polish shooter experts People Can Fly, and takes place 14 years before the first game, where evil aliens the Locust first lay waste to mankind.

But this is no between-meals snack. The campaign, we're told, is bigger than *Gears 3*, multiplay has loads of new modes and there are tons of new enemies. Here's a taste of what else to look forward to...

**DECLASSIFIED MISSIONS!**
In "Declassified" sections, you'll face tougher enemies, better tooled-up Locust or harder missions. We had one where fog rolled in to scupper enemy visibility!

**NEW SCORING!**
Now you get regularly scored based on factors including head shots, how often you're downed, kill assists etc. "Declassified" play multiplies your score.

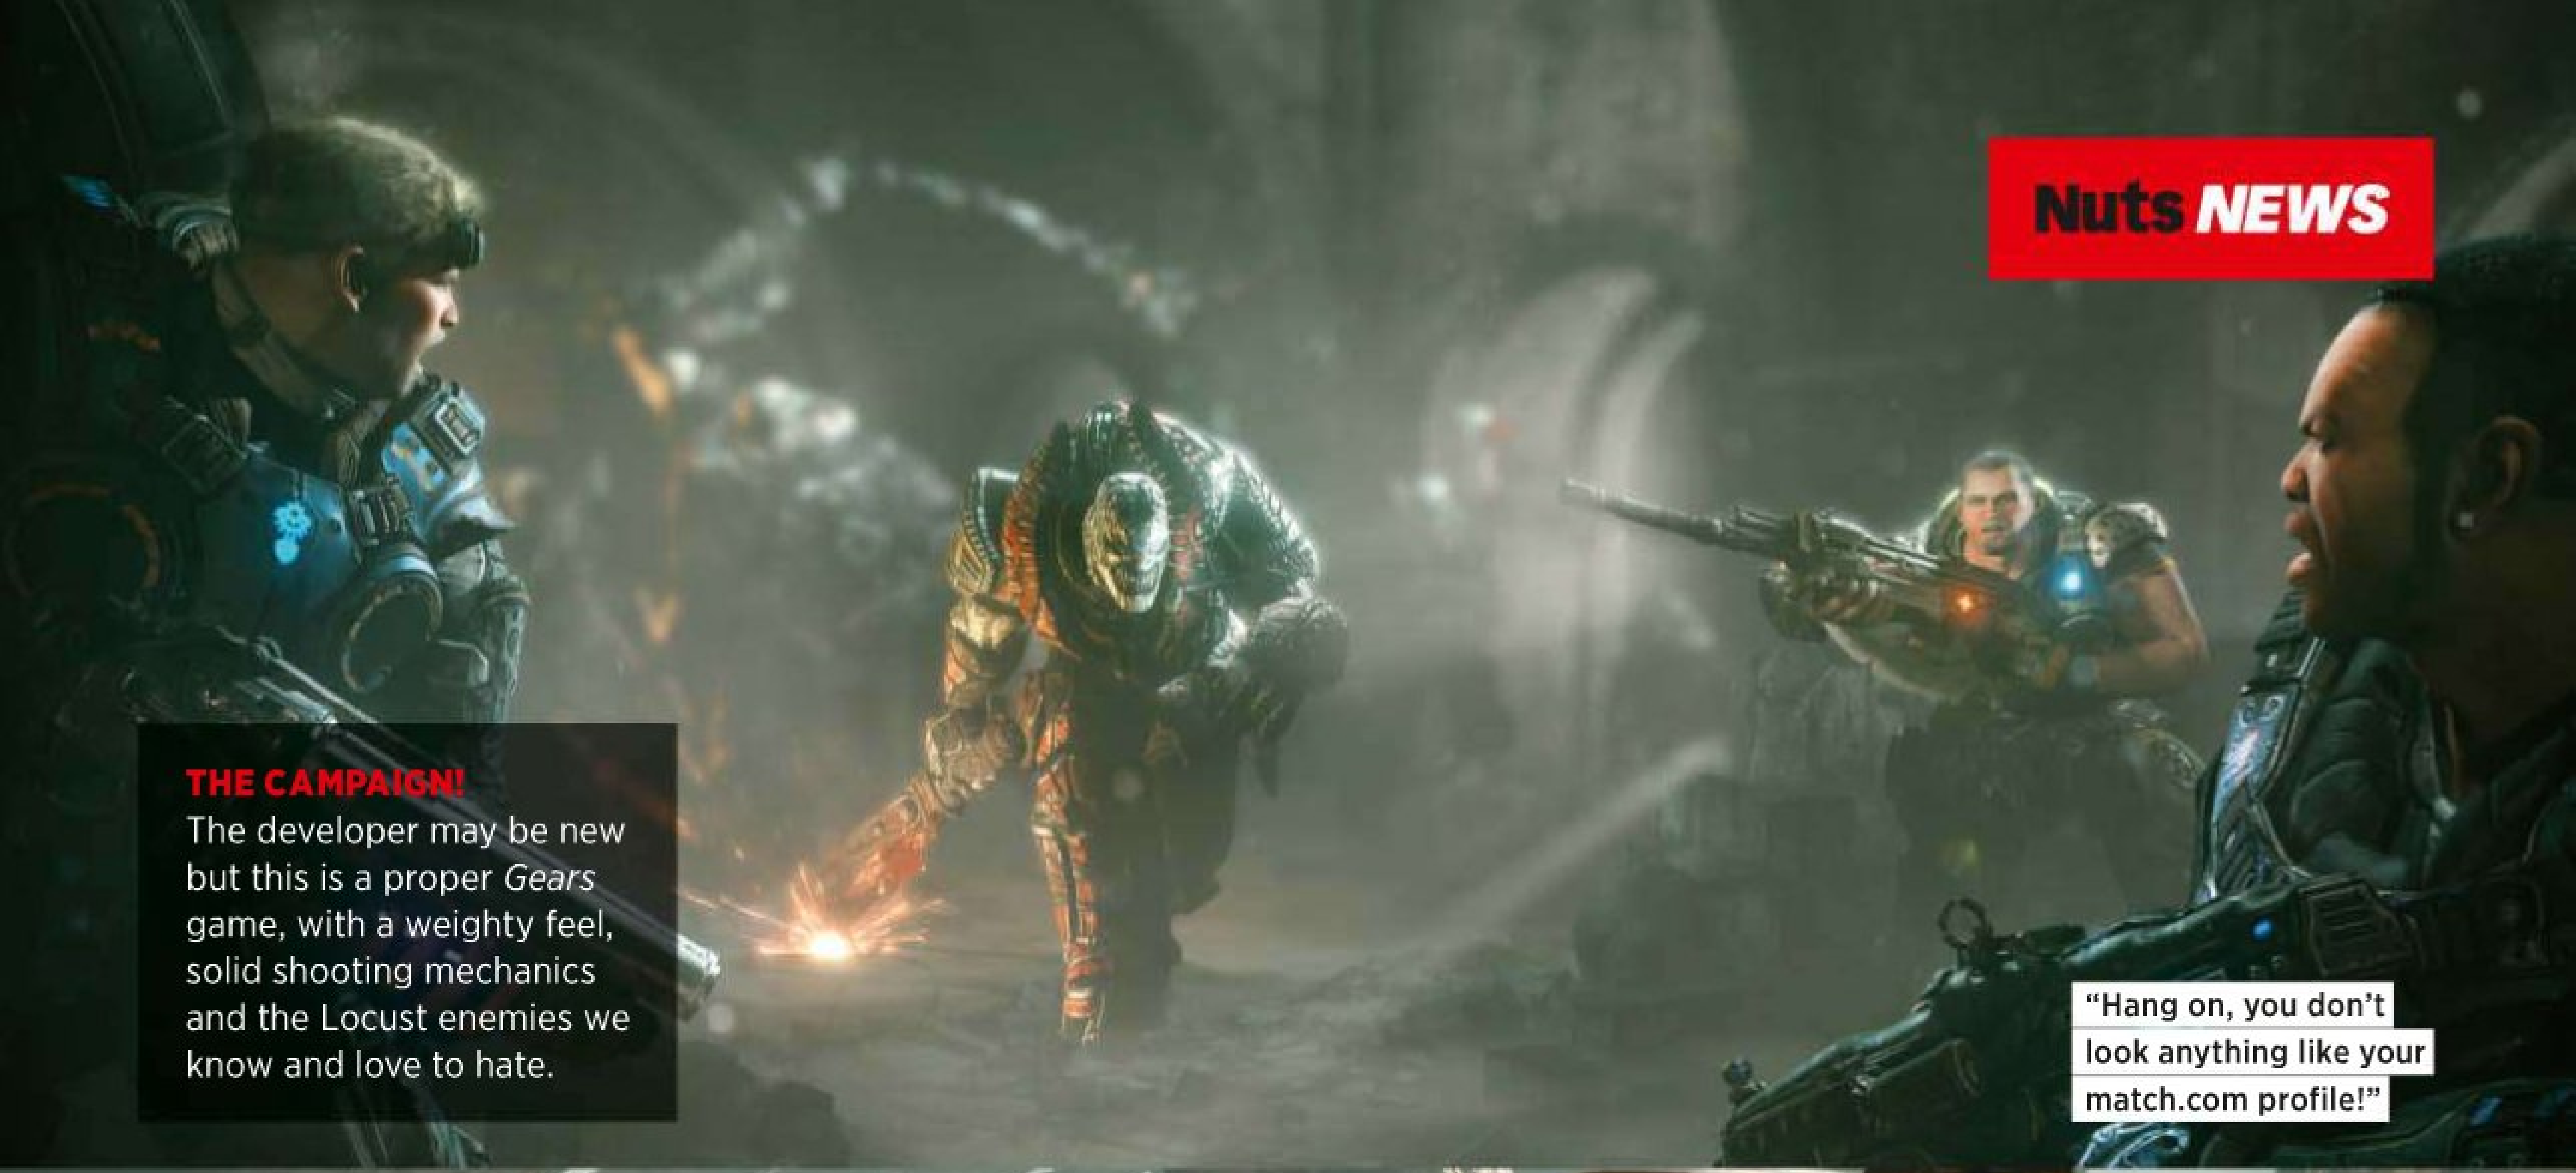
"Good morning! Can I interest you in life insurance?"

GEARS OF WAR JUDGMENT

**PLAY IT YOURSELF!**

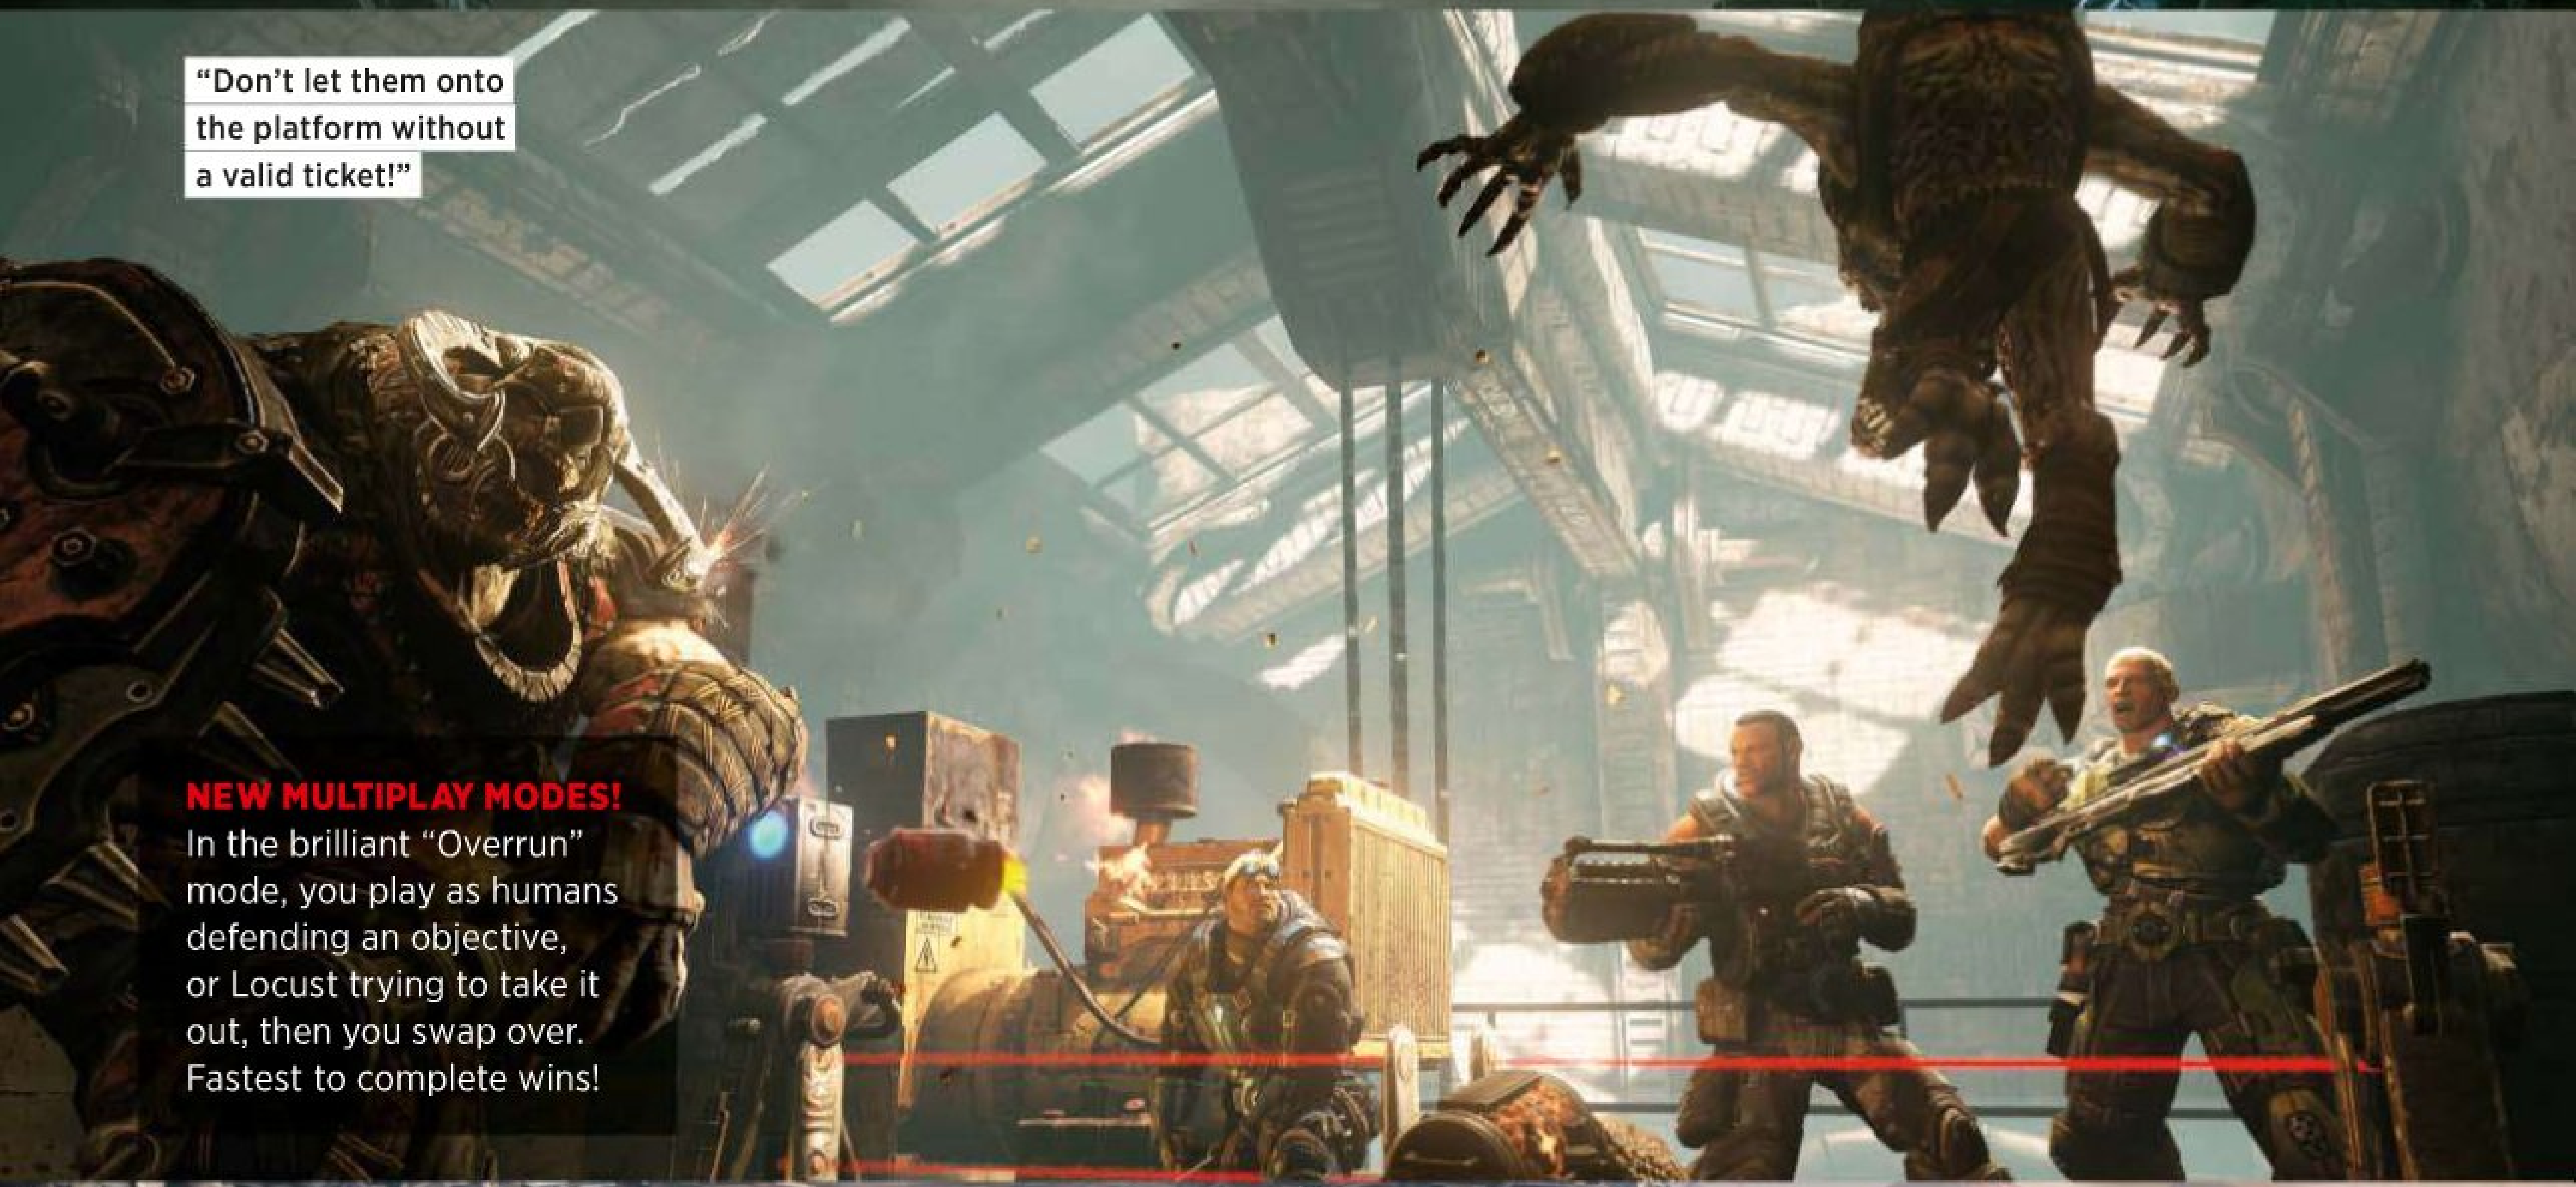
*Gears Of War: Judgment* will hit your local Xbox 360 on 22 March. Pre-order your copy now!

WORDS: RORY BUCKERIDGE



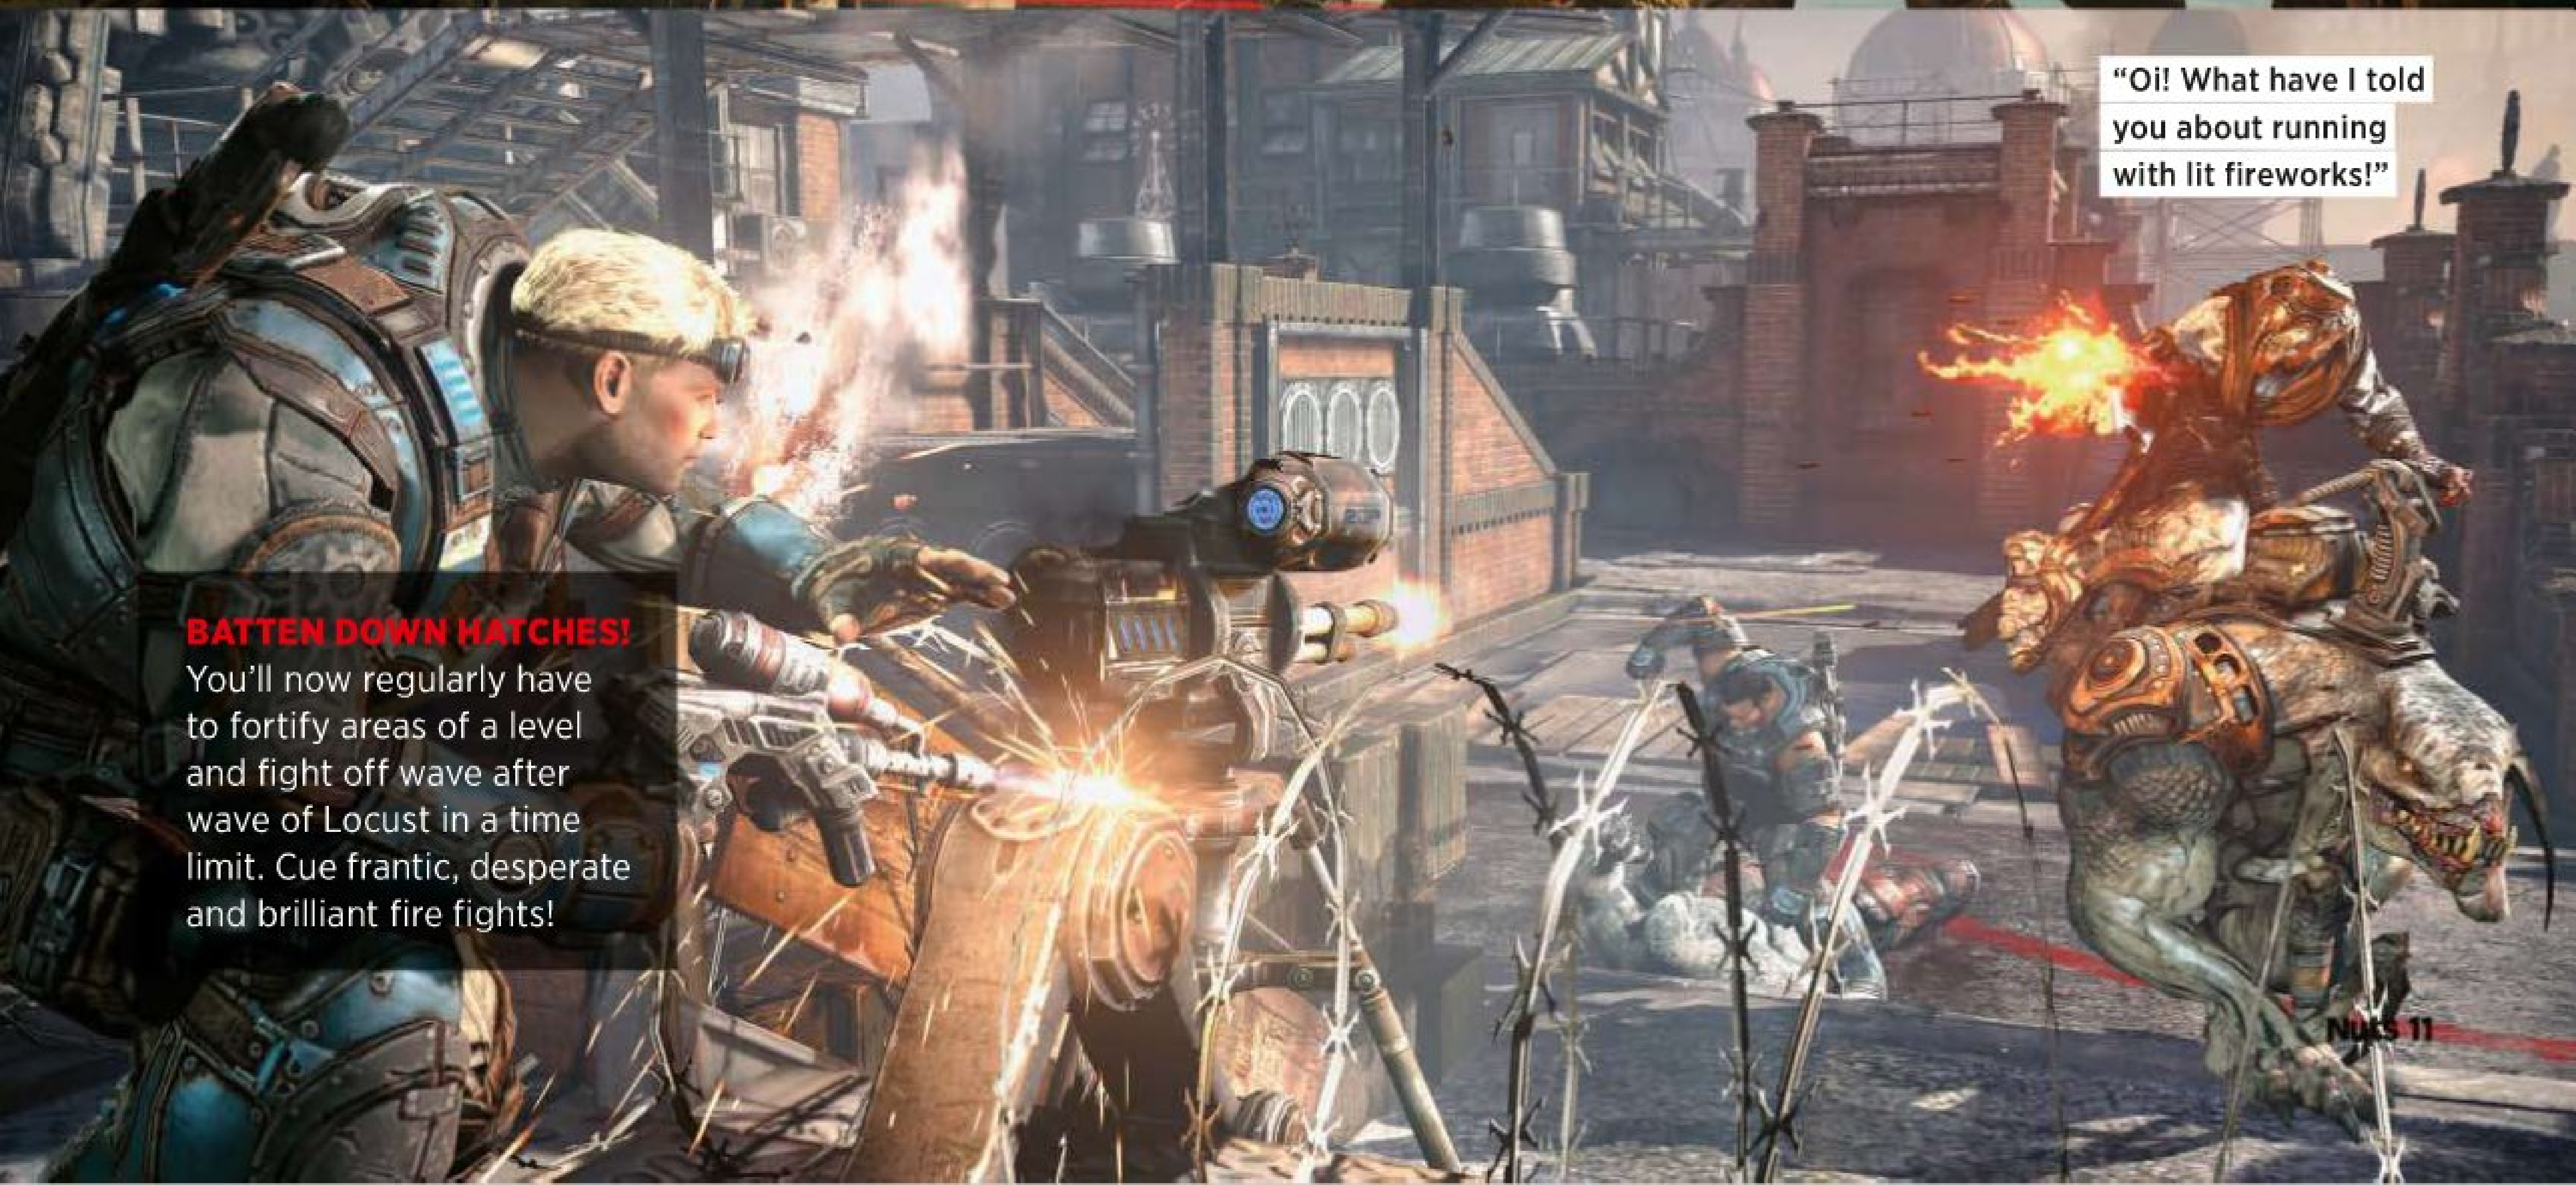
**THE CAMPAIGN!**
The developer may be new but this is a proper *Gears* game, with a weighty feel, solid shooting mechanics and the Locust enemies we know and love to hate.

"Hang on, you don't look anything like your match.com profile!"



"Don't let them onto the platform without a valid ticket!"

**NEW MULTIPLAY MODES!**
In the brilliant "Overrun" mode, you play as humans defending an objective, or Locust trying to take it out, then you swap over. Fastest to complete wins!



"Oi! What have I told you about running with lit fireworks!"

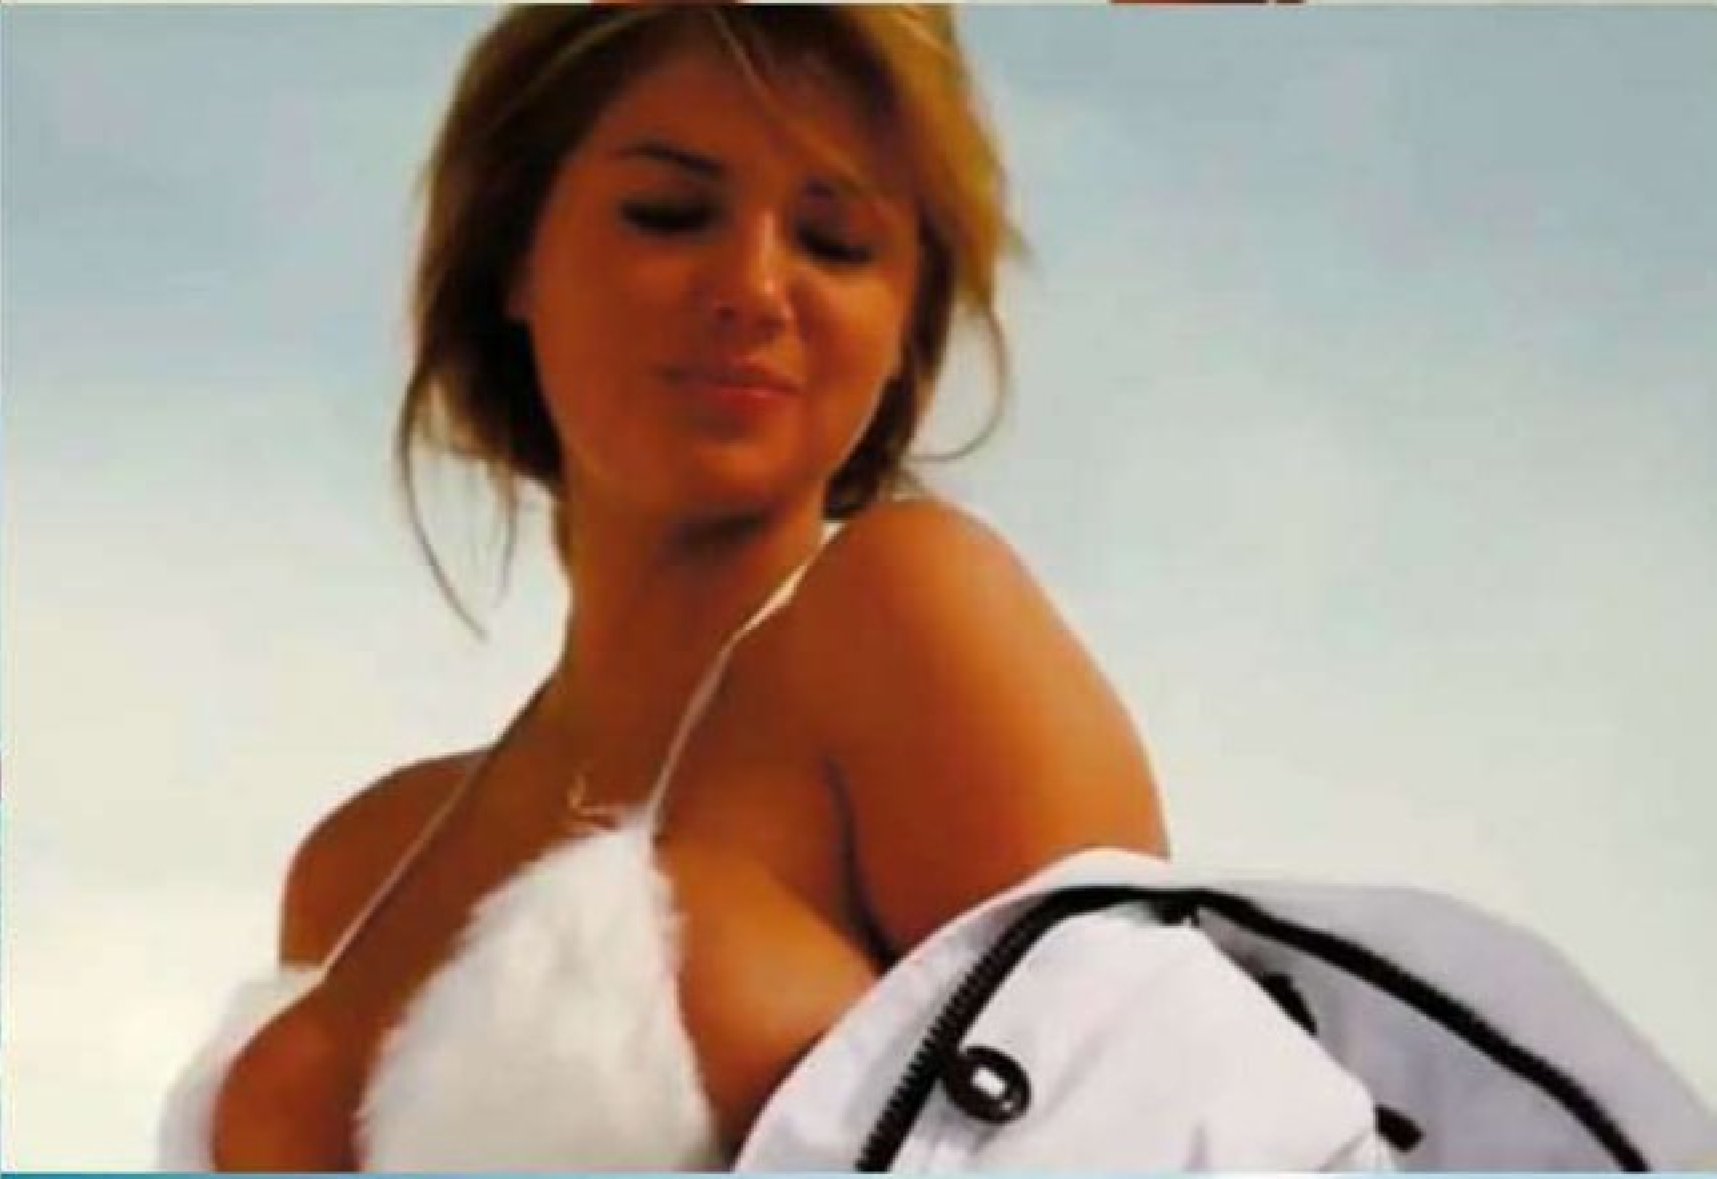
**BATTEN DOWN HATCHES!**
You'll now regularly have to fortify areas of a level and fight off wave after wave of Locust in a time limit. Cue frantic, desperate and brilliant fire fights!

# Kate's chilly shoot!

## That Upton lady does a bikini shoot. In the Antarctic!

**IT'S OFTEN** said – by people who work in offices, banks etc – that modelling is easy. It's just standing around wearing clothes, right? Tell that to the gorgeous Kate Upton, who stood around, topless, in sub-zero temperatures in Antarctica to secure this wonderful bikini shoot.

Turns out it was so cold, she could only pose in minute-long sessions. And while you're there, tell it to the judge! Judge Hushyouryap he's called!



WORDS: RORY BUCKERIDGE PHOTOS: EROTEME.CO.UK

"Turn those lights off – you'll run the battery down!"

# Toyota's crazy fun machine!

## The Japanese car maker's GT86 – *Top Gear*'s car of the year – gets even better!

- **Years ago, there was no such thing as front or four-wheel drive. Every car built translated its engine power through the rear tyres. Then someone realised that front-wheel drive could provide a cheaper way of building cars.**
- Now it's seen as exotic (or old school, depending on your terminology) to have rear-wheel drive. The BMW Z4 is probably the smallest current rear-wheel drive production car, but it looks more like a cat crouching for a log than a sports car.
- **Enter Toyota and its GT86 – a cheap RWD motor that's more entertaining than a night of strip Scrabble with Lucy Pinder. Three letters**

WORDS: JONNY SMITH

It was as though car had just seen a ghost

"Hey! What happened to my sea view?"

**mean this is no ordinary GT86. TRD – "Toyota Racing Development" – is the firm's in-house tuning department. Just 250 TRD-tweaked cars will be shipped to the UK, and they'll cost £31,495 – £6,500 more than the standard GT86.**

● So what does your extra cash get you? Disappointingly, no more power from the Subaru-designed flat-four boxer 2.0-litre motor. That stays at 197bhp, which means the 0-62 stays at 7.6 secs, while the top end stays rooted at 140mph.

● **But the joy of this car isn't the power, it's all about the lightness, chuckability and balance. It brings us back to the good old days of going sideways at 15mph yet feeling like Ken Block.**

● The TRD edition translates to some very subtle body styling, a less subtle "fast response" quad-exhaust system, a lighter set of larger (18in) TF6 alloy hoops, a special TRD-branded gear knob and radiator cap. The latter's frankly a bit poor, but Toyota maintains the new bodyskirts improve stability when the speedo needle's nudging its limit. Oh, and it's available in white or black.

● **It would have been nice to see a roll cage or turbo on the options menu, but it's a motor that's more rewarding than its performance figures suggest. It goes on sale next month.**

# A quick word with Daniel Craig!

## Bond on stunts, training and being typecast!

**Hello Daniel! First up, Bond movies are all about stunts. Are they getting more difficult for you now you've finished your third flick?**
No, it's getting easier. The stunts are an incredibly important part of the movie, and I'm involved with them, obviously, as much as I possibly can be. It's more to do with geography than anything else, if I don't do the stunt. I'm not doing the very dangerous ones, but I've got such good doubles all around. You've just gotta make it look as good and as real as possible.

**Was there more or less training involved with the filming of *Skyfall*?**
It was about the same. I do a lot of running in this one, so I just ran a lot more.

**Playing Bond, have you learned any skills that you've been able to apply in your life?**
Nothing. No, it's all make-believe. It's all make-believe. I mean, it's true but it's nothing to do with real life. The skills I'm learning are those you don't see on camera – they're to do with working with people and how you interact with people. And how you want to get the job done. It's nothing to do with me jumping out of an aircraft.

**What do you think about when you're immersed deep in training?**
The working out's OK – you can switch off. So I suppose that part, I enjoy it, I can get away to do something mindless and relax a bit. It's not unpleasant but it can be boring.

**Do you ever think about how the role is going to affect the rest of your career?**
This is it! There's nothing else. This is my career. So, I mean – well, you know... no. I don't.

**It can cast a long shadow over an actor, though.**
Yeah, but I mean, it's what you take from it. And it's working out for me at the moment. So I'll keep at it, and there'll be other stuff to do. When I accepted the job, I knew that it would have a major effect on my career. I mean, people would find it very difficult not to see me as Bond now, which I always knew would happen. But what can I do about it? It was my choice to be Bond. So I've gotta get on with it and try and be the best Bond I can.

**In what ways are you different to James Bond?**
Every way. Nothing – that man has nothing to do with me. Nothing at all, no.

- *Skyfall* is out now on DVD and Blu-ray.

# Fake zebra riot!

## Japanese zoo stages pretend escape!

**TO ENSURE** they're prepared for just about anything, Japan's Tama Zoo, an hour outside Tokyo, staged a drill to reconstruct what would happen if there was a large-scale animal escape following an earthquake. This mostly entailed a berk in a rubbish zebra costume head-butting staff who'd erected a makeshift net fence, before being "tranquilised" and falling over, dramatically. The stripy show-off!

**1 ZEBRA RAMPAGE!** Spooked by an "earthquake", the fake zebra escapes his enclosure and goes postal in the zoo!

**2 NO ESCAPE!** He tries, in vain, to break through this ring of steel – some chaps holding a makeshift net.

# SEX ADVICE FROM A FIT LESBIAN!

**Because she knows what she's doing and we don't!**

**KEEP UP WITH DANNI ON THE NET!**

For all Danni's latest news and pictures, follow her on Twitter – @Danni_Orsi

## She flirts with the punters!

**My missus works at a sports bar. I was in there last week and was horrified to see her flirting with the punters. When I spoke to her about it, she said it's part of the job, but I just feel I can't trust her. Is there more to it?**

**ALEX** via email

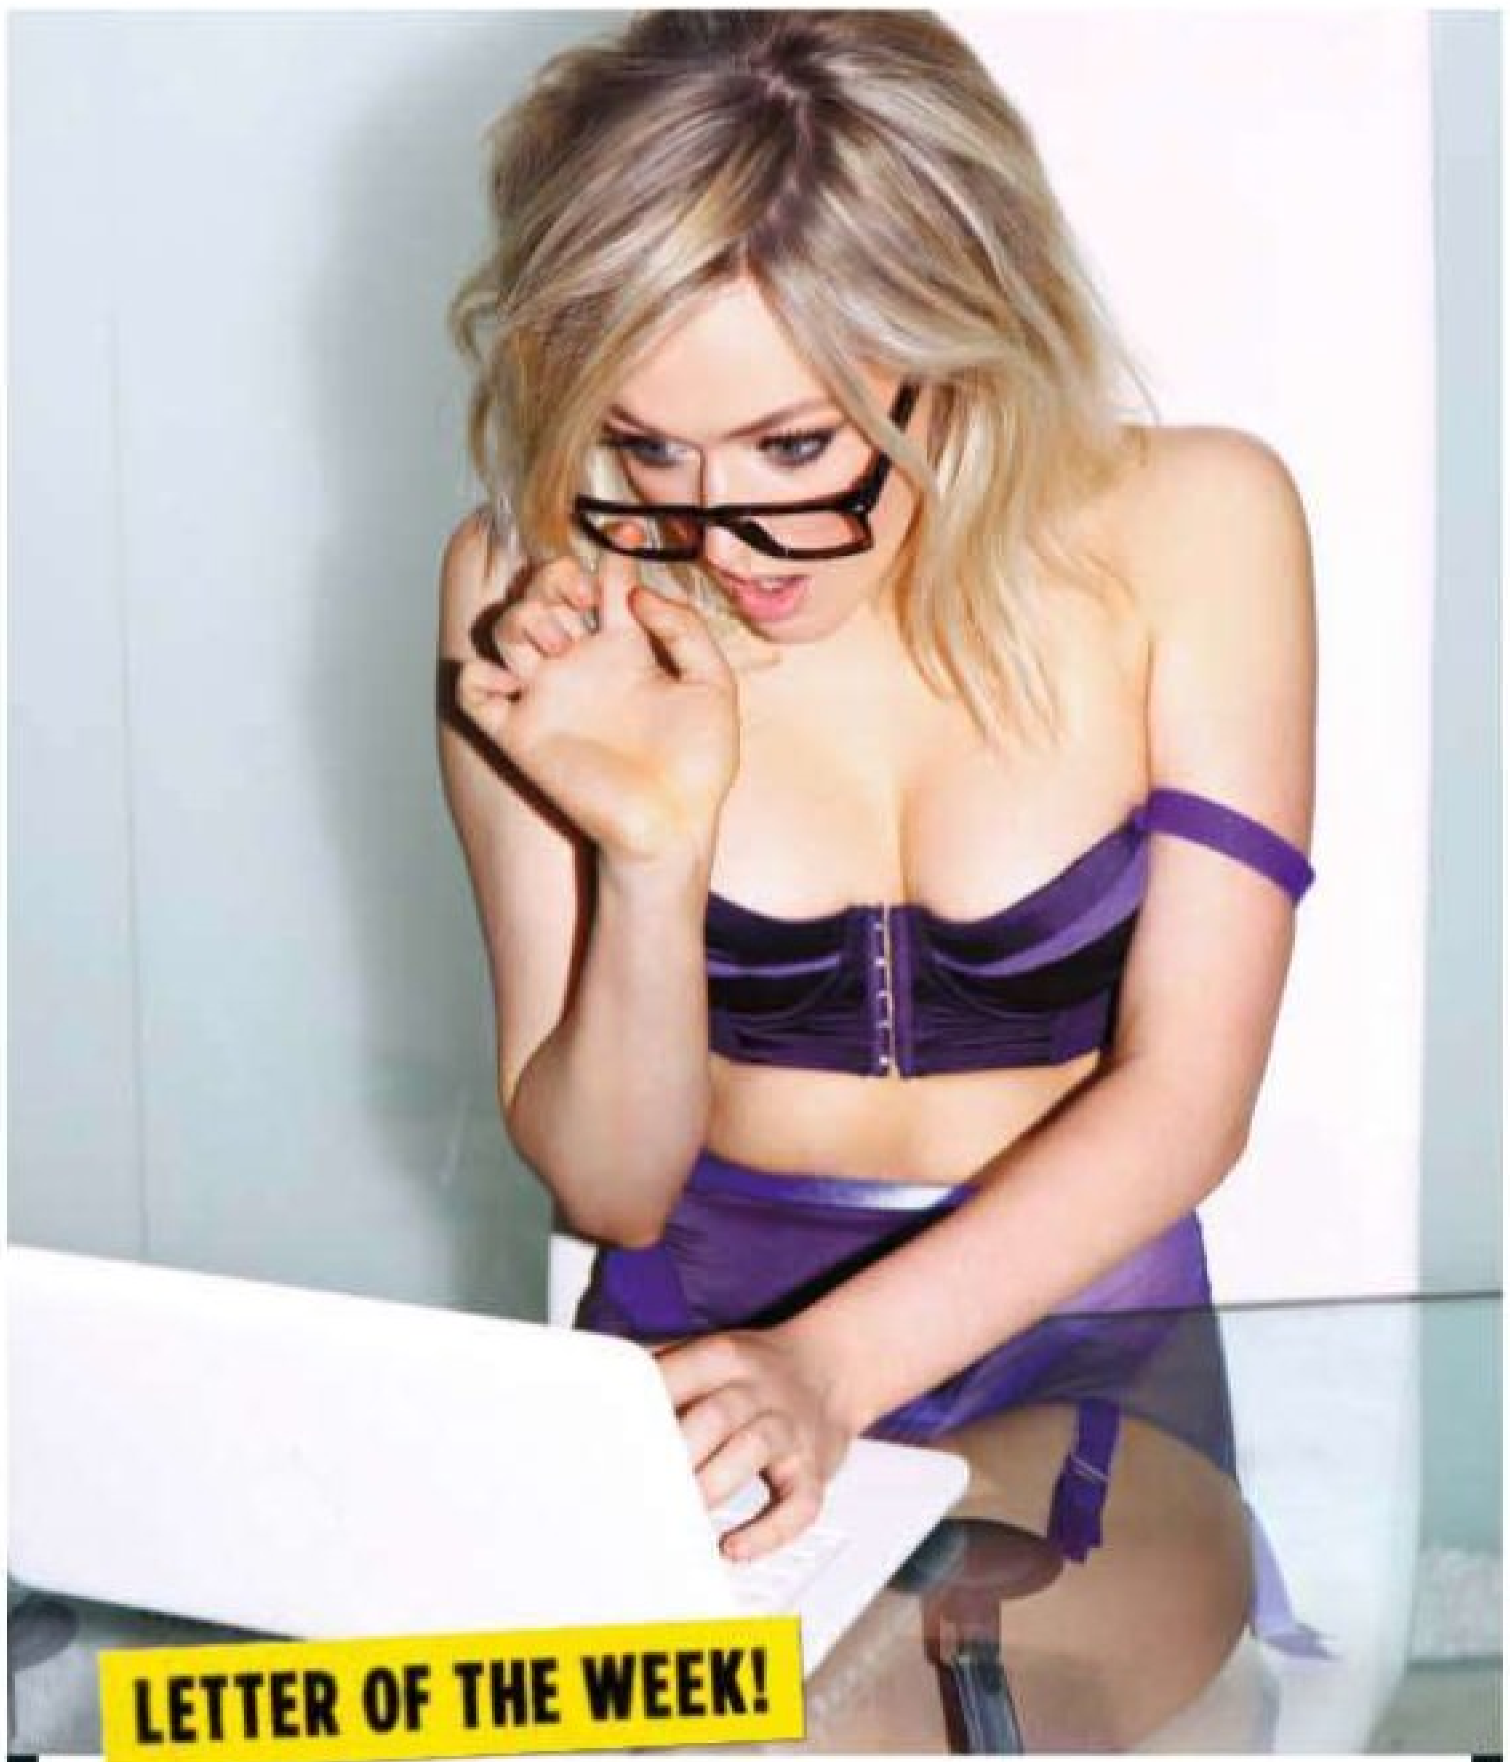
Yes, it's part of her job and yes, you did catch her flirting, but it's one of those life situations. Discuss it, argue about it, fight it out and then have sex. At the end of the day, she may be flirting with other guys, but there's nothing stopping you sitting there smugly knowing you're the one she comes home to every night.

## Oral enquiry!

**Should I be moving my tongue in any particular direction when I go down on a girl? It feels as though I'm not doing it right.**

**OLIVER** London

The most important thing is connection. Feeling your partner's body should be done with rhythmic hands and plenty of eye contact. Don't concentrate on her clit too much. Sometimes one strong, well-timed lick can do more than constant dribble-drabble.



**LETTER OF THE WEEK!**

## Hot for housemate's sis!

**My housemate's sister visits him a lot. Recently, she's been flirty and has sent some raunchy Facebook messages. The trouble is, my housemate's so overprotective of her that I feel bad acting on my impulses. Should I let it pass?**

**KIP** Leeds

Is he stronger and bigger than you? You have to weigh up the options. Acting on impulse is great, but you don't want any trouble. The other alternative is to keep it a secret, but that can be messy down the line. Maybe you should find yourself a pretty girl away from home.

## When can I make a move?

**How many dates should I wait before making a "sex move" on the girl I've been going out with? We've been out three of four times and had a little kiss, but I want to take it further. Do you have any advice?**

**SNAPE** via email

Three or four dates seems pretty long to wait. You should never rush a girl, but inviting her to your house won't hurt. If you can cook, you're onto a winner. Don't sleep with her the first time she comes round – that'll get her horny and it'll show you respect her.

- If you've got something to ask Danni, just email her at **thelesbian@nutsmagazine.co.uk** or write to her at the usual *Nuts* address on p64.

When she dies, the vicar mentions her 18 kids and marriages. Then he says, "Finally, they're together."

A mourner asks, "Do you think he means her first, second, or third husband?"

Her friend says, "I think he's talking about her legs!"

# Joey Fisher!

Prepare to be wowed by a 19-year-old Welsh wonder!

“My boobs blossomed out of nowhere!”

**Hi Joey! How does it feel to have your own shoot in *Nuts*?**
Amazing! *Nuts* is a top magazine. The photo shoots are sexy but it also gives me a laugh.

**What's your favourite thing about the shoot?**
To have the chance to work with such beautiful girls and talented people is a pleasure.

**How would you describe yourself?**
I'm the sort of girl your mum would love. My favourite city's Cardiff. I should go to the gym more, but luckily I've been blessed with a good body that requires the minimum upkeep.

**Have you any hidden talents?**
I can kiss my own boobs! That skill comes in very handy under the right circumstances.

**Who's your fave *Nuts* babe?**
Rosie Jones. She has a great figure and an amazing smile.

**Have you always wanted to be a model?**
Yes! I used to work in Tesco, but when they found out about my modelling they let me go. It was a boring job anyway.

**What are your future plans?**
Obviously, I'd like to be in *Nuts* more. I'm just going to carry on and see where this wild ride takes me. The sky's the limit.

**What are your best assets?**
My legs and boobs. They just blossomed from nowhere and never stopped growing!

**What do you look for in a man?**
Confidence and a nice smile. I like it when a bloke plays hard to get. It's no fun if you click your fingers and he comes running. I like a challenge!

**Thanks, Joey! Finally, what's getting you through winter?**
Well, I tried to start a naked snowball fight with my friends. It didn't keep us warm, but it livened things up! ✖

# devlin Vs the *Nuts* Question Bucket!

## The London emcee on happy rapping, learning to cook and managing England!

**THE RULES** are simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

**What's the happiest thing you've rapped about?**
Probably when I did *London City*. That was my happy song. My mum said, "You need to make some happy music, you're depressing me." So that song's about a night out with the boys, enjoying myself.

**Can you rap your way into a girl's bed?**
After a gig maybe, when everyone's had a few drinks, I might be able to rap her into bed. Yes.

**How did you get Ed Sheeran to feature on your single *Watchtower*?**
We were both supporting Example. Ed was doing his thing on YouTube. We just clicked. I appreciated his talent and he's my friend now.

"I knew I made this wallpaper paste too thick"

**When rappers feature on each other's singles, do you charge each other?**
No. If it's Wretch 32 or the boys, I'll never charge them. If they charged me, I'd be upset as well. It's not like that.

**How come US rappers all want to shoot each other but UK rappers are all super-polite?**
You know what? Manners cost nothing in all walks of life. If you ain't in certain circles, you ain't going to fall out with people. I have no reason to fall out or be rude today.

**Is *A Moving Picture* your "difficult second album"?**
It was mad the first time. I was running around the country doing things I'd always dreamed of doing. I had my whole life to write my first album. I did feel the pressure this time, but a lot has happened for me to write about for the new album.

**Is there a Mrs Devlin?**
No, there's not a Mrs Devlin.

**You grew up near Essex. What would happen in an episode of *The Only Way Is Devlin*?**
I grew up in Dagenham, which is Greater London! It's nothing like Essex! You want to do a fly-on-the-wall show with me? We'll go out in Barking, Ilford and Dagenham and see if you come home with shoes on your feet!

**You're a man who likes to tweet a lot. Have you worn out your thumbs?**
I think it's good, Twitter and Facebook. You're interacting with fans in a way you never could before. The people who get behind me show me love. It's good to hear their feedback and what they think.

**You're a Spurs fan. What changes would you make if you were the England manager?**
I'd play a lot of the youngsters and tell them to go and score. Play attacking football rather than boring defensive and conservative football. Supporting England is almost as frustrating as being a Spurs fan! ▶

INTERVIEW: RICH PELLEY PHOTOS: ELLIS O'BRIEN

"Woo-hoo! Let's party like it's the Argentina World Cup final, 1978!"

**What would you cook if you were on *Celebrity Come Dine With Me*?**
I just started cooking the other day, actually. I made some fish pasta sauce with olives, mushrooms, onions, chillies and peppers.

**RAP BLOKE!**

It was a poor choice of ventriloquist's dummy

**"Devlin" sounds a bit like a master criminal's name. Do you think you'd make a good baddie?**
I think so. I think I look miserable enough sometimes. I've got the evil eye!

- Devlin's new album, *A Moving Picture*, is out now.

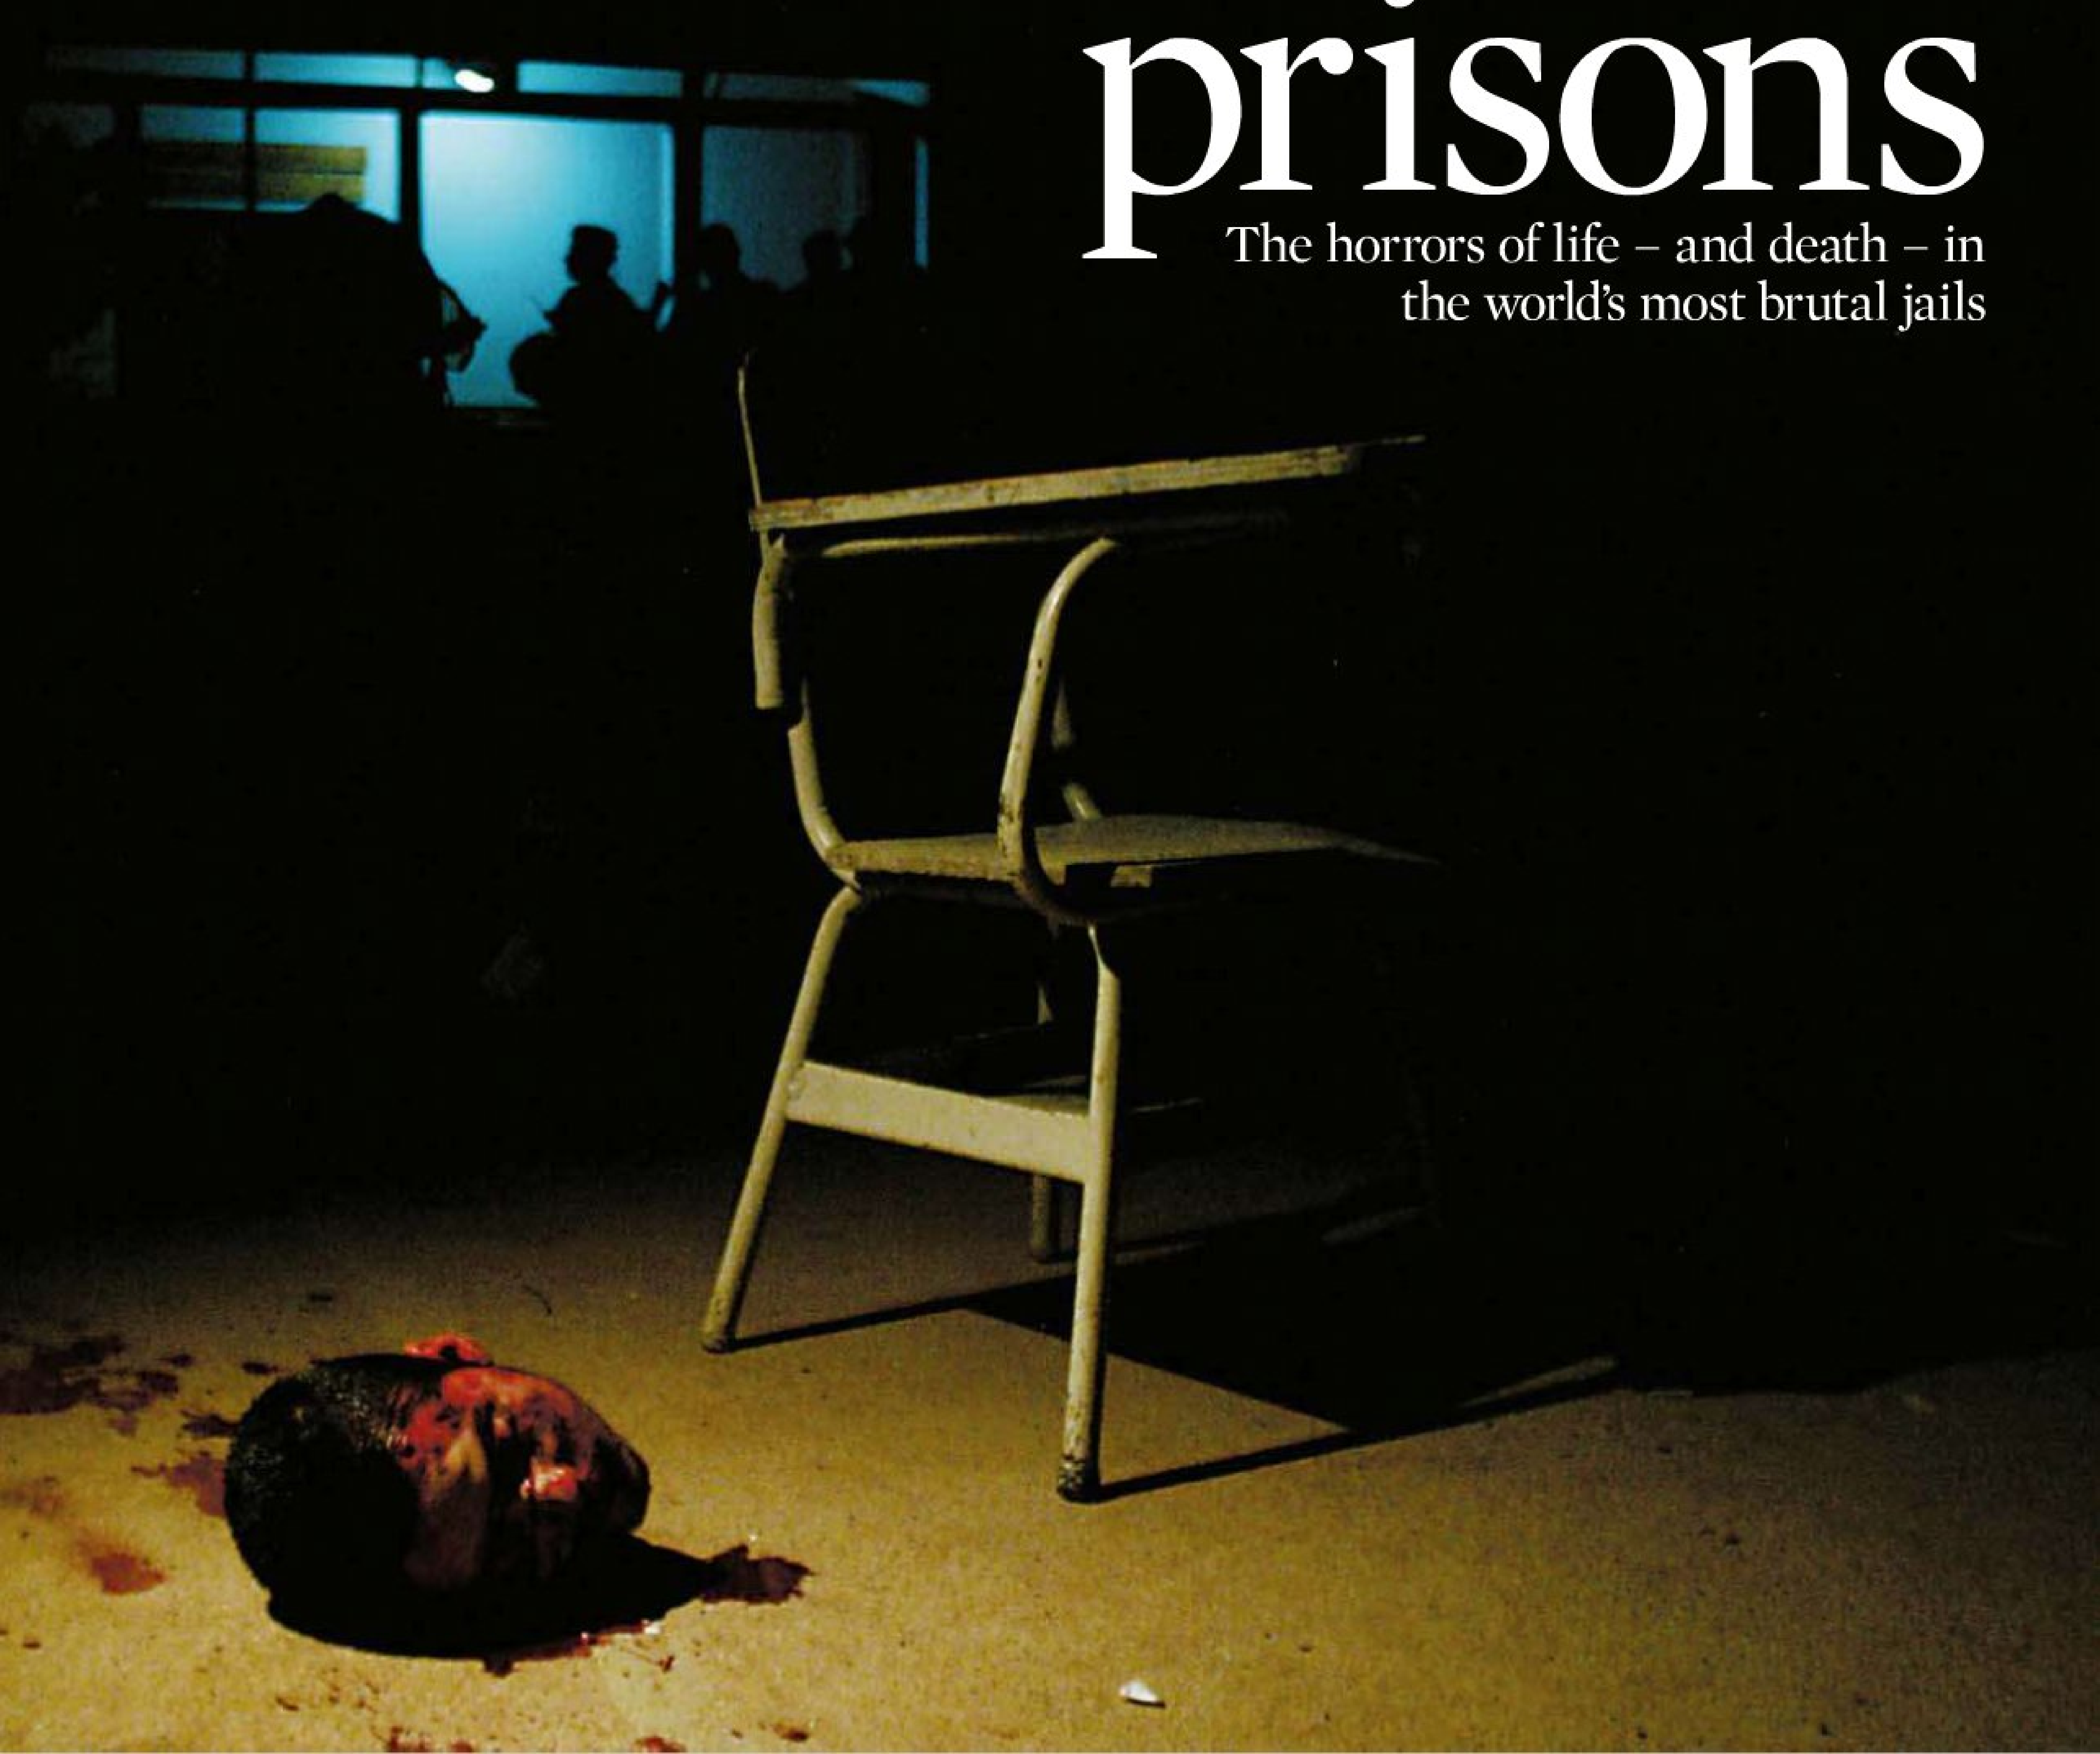
# Inside Venezuela's deadliest prisons

The horrors of life – and death – in the world's most brutal jails



**IT'S JANUARY** 2013 and Venezuela, a country already notorious for the brutality of its jails, is reeling from arguably its worst night of prison violence in recent history, with 61 people killed and 120 seriously injured. The carnage is centred on the Uribana facility, where rumours that the Venezuelan National Guard would be carrying out a bid to combat gang activity have turned into a bloody firefight. It's an incident that has brought the state of this South American country's prisons squarely into the international spotlight.

Uribana, which was shut down within days of the unrest, was only built in 1998 to replace another facility destroyed by rioting, but not many will mourn its demise. The jail had a reputation for appalling conditions, and it was not unheard of for inmates to battle each other to the death in gladiatorial contests for money or entertainment. Cockfights were also commonplace, as were football matches where players went in for tackles clutching guns. Incredibly, one ex-inmate told a national newspaper, "I saw a man have his head cut off and people play football with it."

## Prison leaders

Inmates displaced from Uribana may well have found themselves moving to a facility like Catia – located near the capital, Caracas – where it's said that the gangs are in control. Those who have been there and lived to tell the tale claim there are no guards in sight. In Catia, prison leaders known as "prans" segregate those deemed too unruly to abide by unwritten rules of conduct, effectively making a prison within a prison where those considered unworthy to live with the masses are forced to live in squalor.

Venezuela is blighted by political corruption and organised crime. It has one of the highest murder rates per capita in the world and ranks fourth in the worldwide list of smuggled cocaine seizures behind Colombia, the United States and Panama. Now its prisons are causing international concern. As leading human rights activist Joanne Mariner points out, "Venezuelan jails are the most violent and dangerous in the world. Every aspect of the system is overloaded and just not working." Putting it a bit more bluntly, one ex-con went on record as saying, "Being sent to a Venezuelan jail is like being buried in a cemetery for the barely alive."

Originally designed for just 14,000 inmates, the country's 33 prisons are now home to around 50,000, with many jails effectively acting as fronts for organised crime, where jailed gang leaders run their illicit empires from the comfort of their cells. Drug deals, kidnap plots and protection rackets are rife, along with thefts and beatings. There's never enough food or bedding to go around, and inmates with no outside support network are often forced to "work" for other inmates.

Astonishingly, it's estimated that each prison averages £1.5million profit a year through the criminal activity that goes on behind bars.

## 'Beverly Hills of prisons'

For most prisoners, the experience is a nightmare. Inmates routinely sleep three to a bed, and many have diseases such as TB, or carry horrific wounds from fights. More recently, Human Rights Watch reported an inmate who was badly injured in a knife fight and, in the absence of proper medical attention, kept a piece of his own intestine wrapped in tissue paper because he didn't know what else to do with it.

Bizarrely, though, if you're in with the right people, one prison – Catia jail – can offer you an internet café, a pool hall, a gym and even a disco. Prisoners walk around openly brandishing weapons, with girlfriends hanging off their arms. In some circles, it's become known as the Beverly Hills of prisons. Carlos Nieto Palma, director of the prison-monitoring group Window To Liberty, publicly declared, "It's clear the prisons are controlled by inmates and not the state."

Compounding the overcrowding problem is that fact that almost three-quarters of all inmates have not been convicted of any crime, but are being held in what is called "pre-trial detention". Typically, criminal cases in Venezuela drag on for years without the defendant even seeing the inside of a courtroom.

With this latest unrest comes a stark realisation for many in Venezuela – unless the government builds more jails and reforms the justice system, there'll be no end to the violence. ✖

# Holly Hagan!

**From *Geordie Shore* to Geordie phwoar – she's back with a bang!**

**HOLLY'S TV HIT!**

The upcoming series of *Geordie Shore* will be the fifth. Holly's been in it since the beginning.

"I've had a few marriage proposals on Twitter!"

**Hi Holly! Before we start, we see you've ruffled singer-songwriter Rita Ora's feathers recently. What's that all about?**
It was all an accident. I heard something about her and Jay-Z so I tweeted about it, having no idea it'd start trending. But it did, and then the whole thing blew up with Rita Ora, Jay-Z and Beyoncé wading in!

**Crikey! Do silly spats like that one put you off using Twitter at all?**
The problem with Twitter is that there's no filter. Anyone can write whatever they want and it can potentially be seen by millions of people. On the other hand, I can talk directly to fans and tell them what's really going on, so I don't mind.

**Do you ever get any weird requests on there?**
I've been asked to sit on a lot of people's faces, and I've had a few marriage proposals. I don't know what they'd do if I said yes. I think they'd sh*t themselves and run a mile! I've been called every name under the sun on the internet too, but I generally get a lot more positive comments than negative.

**Do you get loads of really extravagant free stuff sent to you?**
I don't know about extravagant, but I get sent a lot of shoes and jewellery. I keep it all in my bedroom.

**Your New Year's resolution was to drink more than ever. How's that going for you?**
It's going really badly because I started this year working out with a personal trainer. Everyone says they're going to lose weight, but I'm actually doing it. I've lost half a stone in three weeks! ►

**Go you! Have *Top Gear* been in touch after you told us you wanted to go on the show?**
No! But they used the same car as mine – a black and orange Citroën DS3 racer, and it won. They didn't ask me to drive it, though.

**What other shows would you go on, given the chance?**
I've always loved ice-skating, so I'd love to try *Dancing On Ice*. But I don't think you see much of the actual people on it like you do on *Big Brother*. I couldn't do *I'm A Celebrity...* – I'd be like Helen Flanagan. It wouldn't be good entertainment.

**What about *Celebrity MasterChef*?**
No, thank you! With this new diet, I have to eat eggs all the time. I even have an egg app on my phone that tells you how to make the perfect egg.

**How egg-stravagant! So, what sort of things can we expect from the new series of *Geordie Shore*?**
This time, we're going to four different places all over Europe. You've seen us all going out in Newcastle and getting hammered – now it's time for something different. We go to a sex museum in Amsterdam. That's a bit naughty.

**Amazing! What did you learn from your travels?**
It's much harder to pull in Europe. I don't know if it's the language or culture barrier, or if Geordies are just more up for it.

**Has being on *Geordie Shore* made you rich?**
That's a bit of a rude question! Who asks that? Well, let's just say that I'm doing alright.

**Fair enough! What's been the best thing about having a celebrity profile?**
Having money to spend on my family. When I was ►

**"We visit a sex museum in the new series!"**

growing up, it was just me and my mum, and I know she went without to give me the best life she could. It's great to be able to pay her back in some way.

**Nice one, Holly! Your *Nuts* shoots have been getting ruder and ruder. Just how rude can they get?**
Well, I won't be getting my fairy out any time soon, unless I start getting paid a lot more money!

**Umm, OK, let's move on! What's the rudest thing you've seen recently?**
I've seen videos online recently of a man getting his willy tickled by a fish and a woman doing something a bit rotten to a dog. I draw the line at things like that.

**Blimey! How's your love life at the moment?**
I'm completely single. I couldn't be more single if I tried.

**Do you think we could survive a date with you?**
I don't do dates. If you watched *Geordie Shore*, you'll have seen what happens when I go on dates. They just don't work out. It's so awkward. I think the way you're supposed to meet people is when you're drunk on a night out, because the next day it's fine as you've already done the embarrassing bit and can't even remember.

**Thanks, Holly! Finally then, what would you be doing right now if you weren't on *Geordie Shore*?**
I'd probably still be with my ex and working in a call centre. I think everything happens for a reason. Like the tattoo on my chest says, you should love the life you live. ✖

- The new series of *Geordie Shore* starts on MTV/HD on Tuesday 19 February at 10pm.

## CSI: Crime Scene Investigation

**CHANNEL 5/HD** • 9pm

The gripping Las Vegas-based crime drama returns for a 13th series. DB Russell (Ted Danson) leads the crack CSI team on an against-the-clock hunt for his kidnapped granddaughter, but that turns out to be just the tip of the iceberg. Exciting stuff!

★★★★

"OMG! It's Tom Cruise!"

## Elementary

**SKY LIVING/HD** • 9pm

This week, Sherlock Holmes (Jonny Lee Miller) and Dr Watson (Lucy Liu) attempt to solve the case of a body discovered in the laundry of a posh hotel. The switch from Victorian England to modern-day New York has given the classic a modern twist we can get behind. We still prefer the BBC's *Sherlock* though.

★★★

"Help! I can't get out of my chair!"
NEW SERIES!

## Alexander Armstrong's Big Ask

**DAVE** • 10pm

Does the world need so many panel shows? Well, no, but this one's hosted by the host of our favourite daytime TV show, *Pointless*. His guests include Tim Vine and Stephen Mangan.

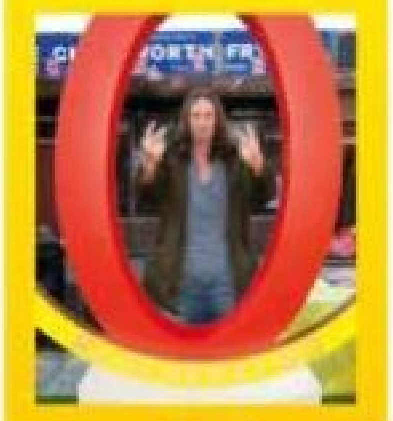
★★★

### DO NOT WATCH!

**SHAMELESS**

**CHANNEL 4 • 10pm**

The 11th and final series (hooray!), which, frankly, should have ended about seven series ago. Talk about flogging a dead horse.



# Wednesday 27 February

"Hit this target and the fluffy dinosaur's ours!"

## Sons Of Anarchy

**5USA** • 10pm

Jax has struck up an expensive deal with Pope, but reckons the pay-off of being associated with such a well-connected crime boss is worth paying for. Jax is also contemplating going into business with his mum's new bloke, Nero, the pimp. Looks like a new brothel could be on the cards for the Sons. And there's a funeral, too.

★★★★★

Even in the home, the Rolling Stones refused to retire

BOSTON FILM

## Derek

**CHANNEL 4/HD** • 10pm

There's a plan to host a cabaret show, and the lovable Derek (Ricky Gervais) has taken it upon himself to form an entertainment committee to discuss it. Unfortunately, they revolve around his mate Kev's Duran Duran film script and the rapping skills of new community service worker Deon. Cringeworthy fun.

★★★★

"I'm sure the ice machine was on this floor"

## Inside The Gangsters' Code

**DISCOVERY/HD** • 10pm

Former mobster Lou Ferrante's one of the most successful Mafia heist-masters in history – the hijackers' crew he bossed racked up millions before he was nabbed. So he's your genial host as we delve into the ethics, or lack of them, in the Mob.

★★★★

**BLOKES ONLY!**

**RIVER MONSTERS: DEADLIEST ENCOUNTERS**

**ITV4/HD** • 9pm

One for blokes who are fans of fishing as slightly unhinged angler Jeremy Wade checks out deadly freshwater creatures. Expect fish with big teeth.

# Thursday 28 February

It was a radical image change for HSBC

## Celebrity Juice

**ITV2/HD** • 10pm

When Fearne Cotton announced she was taking a break from this, we were gutted. Yes, the new series would still have Holly Willoughby, and Keith Lemon's always great entertainment value, but any show that loses someone that hot's bound to suffer, right? Not when Kelly Brook shows up to replace her. Whoa, mummah!

★★★★

His art-class collage was a bit odd

## Black Ops

**YESTERDAY** • 10pm

Anyone who has read the papers, watched the news or seen *Zero Dark Thirty* knows how Osama bin Laden was found and killed, but that doesn't stop us from wanting to hear it from differing perspectives. This new series gets intel from former homeland security operatives to tell the tale of how OBL was KIA – with no RIP.

★★★★

"The lottery win? No, it hasn't changed us at all"

## My Little Princess

**E4/HD** • 11pm

One of those shows where you've got to wonder how it ever got made in the first place. It's a new dating game show following eight hapless blokes – "princes" – who battle it out to win the heart of a "princess". And how do they do that? Via a series of insane and absurd physical and mental challenges. You will cringe.

★★★

**SCREEN SCREAM**

**THE THING**

**SKY MOVIES SCIFI/HORROR** • 11.15pm

A nice slice of scares as scientists on a remote Antarctic research station unearth a frozen alien, which pretty much proceeds to kill them all. Cracking.

## MOVIES

"I knew I should have used Bupa"

### CLOUD ATLAS

22 February • 15

This bonkers epic from the makers of *The Matrix* is one of the most expensive films made outside Hollywood and has an all-star cast led by Tom Hanks and Halle Berry. Their characters are ruled by karma and reincarnated across time from the islands of the South Pacific in the 19th century to a post-apocalyptic *Blade Runner*-style future. Confusing but clever. ★★★

"Blimey, you're right – that spider's massive!"

### MAMA

22 February • 15

Guillermo Del Toro puts Jessica Chastain through hell in a *Ring*-style taut shocker as she looks after two orphaned kids. ★★★

## DVD & BLU-RAY

"Avoid Slough High St by cutting through Carpet World, he said... idiot!"

### SKYFALL

DVD & Blu-ray • 12

In the biggest Bond movie ever, the smooth-talking secret agent (Daniel Craig) is tasked with taking care of M because it turns out someone's out to get her. And that someone is Silva, played brilliantly by Javier Bardem – who's a little bit camp, but also very sinister indeed. Packed with all the usual grand stunts, super-hot Bond women, and pithy one-liners. ★★★★★

"These kitchen utensils are impressive"

### THE REIGN OF ASSASSINS

DVD & Blu-ray • 15

All about the battle for the ultimate Grand Master of martial-arts power. Great chopsocky action. ★★★

### DANNY HOWARD

### MAJOR LAZER

Reggae, hip-hop, electro... it's all kicking off on this second outing from DJ bloke Diplo's other project. ★★★

**RATINGS:** ★★★★★ Genius ★★★★ Very good ★★★ Investigate ★★ Alright ★ Rubbish

## GAMES

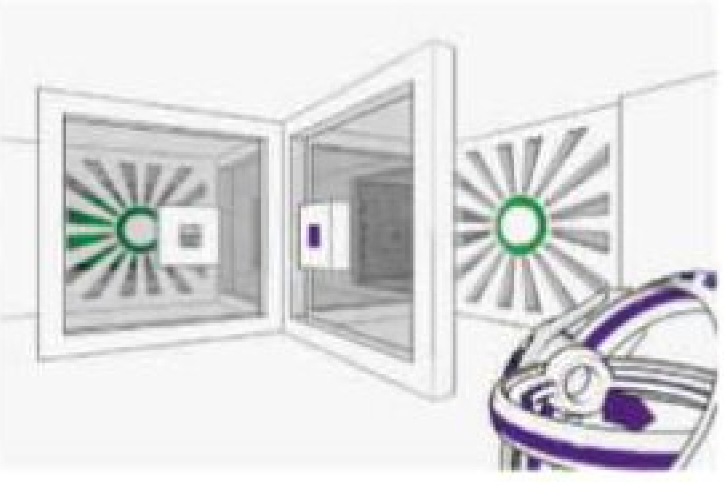
### METAL GEAR RISING: REVENGEANCE

PS3, Xbox 360

Nope, we don't know what a "Revengeance" is, either, but we do know a fun hack'n'slasher when we see one. This stars *Metal Gear* gimp Raiden, and his robot-slicing katana, piling through henchmen, evil machines and testing bosses, and turning them into twitching sushi. It all looks marvellous, and is a hoot to play. ★★★★



### ANTICHAMBER

PC

Mind-squishing puzzle game where you solve puzzles to progress through the world, which infuriatingly changes and mocks you at every turn. ★★★

### WIDE SKY

Challenging 2D platformer where you throw a hedgehog around to destroy and collect dark orbs and progress to the next screen. Tricky. ★★★

CONFESSION OF THE WEEK!

### 'I had fun on the farm'

**I RECENTLY** went to see an old friend who lives on a farm. He said I could have a go on the tractor, which sounded like a lot of fun. I looked at him and he gave me a filthy wink. Things got heated quickly as he sat me on his lap, grabbed my boobs and started playing with me, making me wet, until I couldn't take any more and begged him to thrust deep inside me. I rode him hard and fast, and the vibrations of the tractor engine took me to a whole new level. Who would have thought farm machinery could be so much fun!

**Emily** via email

### 'My hot ice cream man'

**HERE'S A** story from last summer. It was an ordinary day at home – my fella was at work and I was just looking after our dog, and doing general housework. I heard the ice cream van down the street, so I went out to buy one. I knew the ice cream man himself was a huge tattooed and tanned guy. As he pulled his van up, I was in awe at how beautiful he was, so I had to tell him. He smiled and invited me into his van, where he sat me on the freezer and lifted up my dress. He started to rub my already wet pussy and then went down on me. I let out a huge moan and pulled on his hair, he then stood up and smiled at me. My friends always called it the van of treats, and they were right!

**Sarah** Hemsworth

### 'Bus ride turned rude'

**MY BOYFRIEND** and I had just had a day in town at the shops. I could tell throughout the day he was getting bored but he carried on just for me. So on the way home I decided to treat him. We were sat at the back of a double-decker bus, and no one else was around. I slowly slipped my hand onto his lap and stroked the inside of his thigh. I instantly felt his rock-hard rod. I got down on my knees and undid his jeans and took him in the mouth. He was moaning like a girl! Thank goodness no one else was around, as he was so loud! But when we got off the bus the driver gave us a cheeky grin. We didn't realise until later that he could see the whole thing on his security camera!

**Caroline** Preston

### 'Trip to India was spicy'

**I'VE RECENTLY** got back from a trip to India. By the pool one day, there was a hot girl a few sunbeds down from me. We'd been making eye contact all morning and I could tell she was curious, so I introduced myself. Soon, she was massaging sun screen on my shoulders, then she told me to lie down so she could put some on the back of my legs. Paying attention to my thighs, she slid her fingers under my bikini and around my bum. In the afternoon, we went for a ride on her motorbike, and I took full opportunity to tease her. Pinching her waist, I twirled my hands towards her crotch and tugged on her zip, knowing it would rub on her clit. We ended up having to stop beside the road to carry on – chuckling when the odd car zoomed past.

# 10 RUDE QUESTIONS!

And a real girl to answer them!

## Jodie

20 **Wakefield**

**1 Where's the strangest place you've had sex?**
"The strangest place I've had sex was in a hot air balloon. My boyfriend at the time treated me to a nice romantic ride, but things got steamy."

**2 What's your trademark move in the bedroom?**
"I'm not sure about this one. I think it depends on the other person and how fun they can be. I'm not particularly flexible but I am quite demanding and rough!"

**3 What really turns you on?**
"What really turns me on is a guy with big muscles. I love it when a man wraps his arms around me, whispers in my ear and kisses my neck."

**4 What's your favourite position?**
"Well, it involves me sitting on the edge of a chest of drawers!"

**5 Is it better to give or receive?**
"I would say it's even – giving and receiving. The more you receive, the more you want to give."

**6 What one thing would you really like to try but haven't yet?**
"I'd love to try having sex on the bonnet of a car, but only if it's a Mustang. It has to be in a beautiful place or at least somewhere with a view, like a lake with lots of green grass and the sun shining. Or maybe a sunset."

**7 Have you ever got it on with another girl?**
"I've kissed another girl and got up close and personal on photo shoots, but that's as far as I've gone."

**8 What's your role-playing costume of choice?**
"It has to be Catwoman. I haven't actually tried it yet, but I reckon I could make it sexy and fun."

**9 Have you ever made a sex tape?**
"No, I haven't. I don't think I'd be able to stop laughing long enough!"

**10 What's the single rudest thing you've ever done?**
"Let's just say it involved a hunky guy, strawberries, champagne, a steam room, a leather belt, some tasty chocolate and another girl!"

**"Things got steamy in a hot air balloon!"**

CAPITAL ONE CUP SPECIAL!
Capital
Capital

## Meet James Hanson, the Bradford hitman aiming to gun down the Swans in the Capital One Cup final!

**Hi James! Is it true you took a cut in wages to move from shelf-stacking to Bradford?**
Definitely! I was on a set amount when I played non-league for Guiseley, and Bradford offered me the same. But it meant I lost out on the part-time wages I was getting from the Co-op, so yeah, I lost cash.

**And you also played the semi-final second-leg match against Villa with a broken toe, didn’t you?**
Well, it was a crack in the little toe on my right foot. I’d had a couple of weeks’ rest after the first Villa game and it had healed up a bit, but I felt it again in the warm-up so I did have to take some painkillers.

**Do you get Bradford women begging you for autographs, photographs and kisses?**
Not just the women! If I go out and about in the city, everyone comes up to me– the lads as well. It’s a good thing, though, apart from the kisses. But I’ve definitely been recognised a lot more since we beat Arsenal and a lot more people came out of the woodwork.

**How many offers of a free pint have you had?**
None, unfortunately. Since my missus had a little girl, I haven’t really been out as much. I’ve not been allowed!

**What’s next for you? Your goal record suggests you could play at a higher level.**
I haven’t thought about it. I’ve got another year left on my contract, so I want to keep doing my best and try to add more goals to my game. If I do that, we’ll see what happens.

**Who are the big *Nuts* fans at the club?**
Quite a few of the boys are regular readers. If there’s a *Nuts* magazine on an away trip, it’ll get passed all round. Kyel Reid loves to have a good ogle at the birds!

**Do you get free baked beans from the Co-op?**
I don’t get anything free! The lads say I should push for a sponsorship deal because of all the publicity they’ve had over the last few weeks.

**You went back to work there the other day. What was that all about?**
They invited me to see everyone and it was good fun. It felt weird even pretending to stack shelves, but it makes you feel lucky that you play football for a living. It was great to see the old staff there – and they gave me a bottle of champagne. That’s waiting to be opened, hopefully after we’ve won at Wembley!

**Realistically, can Bradford do this? Will that champagne ever be opened?**
I don’t see why not, if we approach it exactly the same way we have been doing. Let them have a lot of the ball but then take every chance we can to put the ball into the box. I don’t think they’ll be able to cope with the physical side. We’ve scored a lot of our goals from crosses and set-pieces, and I think we can have a lot of joy from them again.

***Nuts*’ columnist Kammy is willing you on as an ex-Bradford man. Have you any messages for him?**
I haven’t seen him since he was at the club but it’ll be good to catch up with a Bradford legend. I just hope he isn’t doing any commentating!

**Who’s the joker in the Bradford dressing room?**
It has to be Ricky Ravenhill. He comes across as a really quiet lad but you’ve got to watch him very carefully.

**Who’s going to be rocking the coolest-looking suit on cup final day?**
That’s a hard one because there aren’t many good-looking lads in the dressing room. I suppose I’ll have to say Andrew Davies, our centre-half. Just.

**Thanks, James! Finally, if and when you win, how are you going to celebrate?**
I haven’t thought about it, but we’ve got a game on the Wednesday after Wembley so we’ll be probably be focusing on Dagenham come Monday morning. Or maybe Tuesday!

# + Michu: ‘I’m not moving!’

The Swans sensation eyes up his first silverware!

**Hi Michu! So, Swansea are clear favourites for the Capital One Cup...**
I think it’ll be a tough game. What Bradford have achieved is fantastic and on the pitch they’ll be strong and physical. For them, it’s probably a dream but we’re delighted to reach this final too, and it would be the first trophy of my career.

**A victory would cap an incredible debut season for you in English football.**
It couldn’t have gone better. I came here to experience new things and improve and that’s happened. The team’s improving and deserves some success. To win also means a chance of European football!

**Your form has led many to suggest you may leave Swansea for a bigger club next season...**
It’s nice when people say you’re doing well but I’m 100 per cent happy here. On the football side, I’m happy, and living in the UK is very enjoyable. I can’t see myself moving for a very long time.

**What’s Michael Laudrup like as a manager?**
Everything about him is quality. As a player, he was an amazing footballer and now, as a coach, he’s creating a special career for himself. Even now, in training, you see him do things with the ball and you’re like, “Wow!”

**He’s also been linked with bigger clubs...**
Good for him, because it means he’s doing a good job for Swansea. He’s one of the best managers around. He could coach at many clubs if he wanted to but I think he’s building something fantastic here at Swansea. These are exciting times. We just have to make sure we win that trophy!

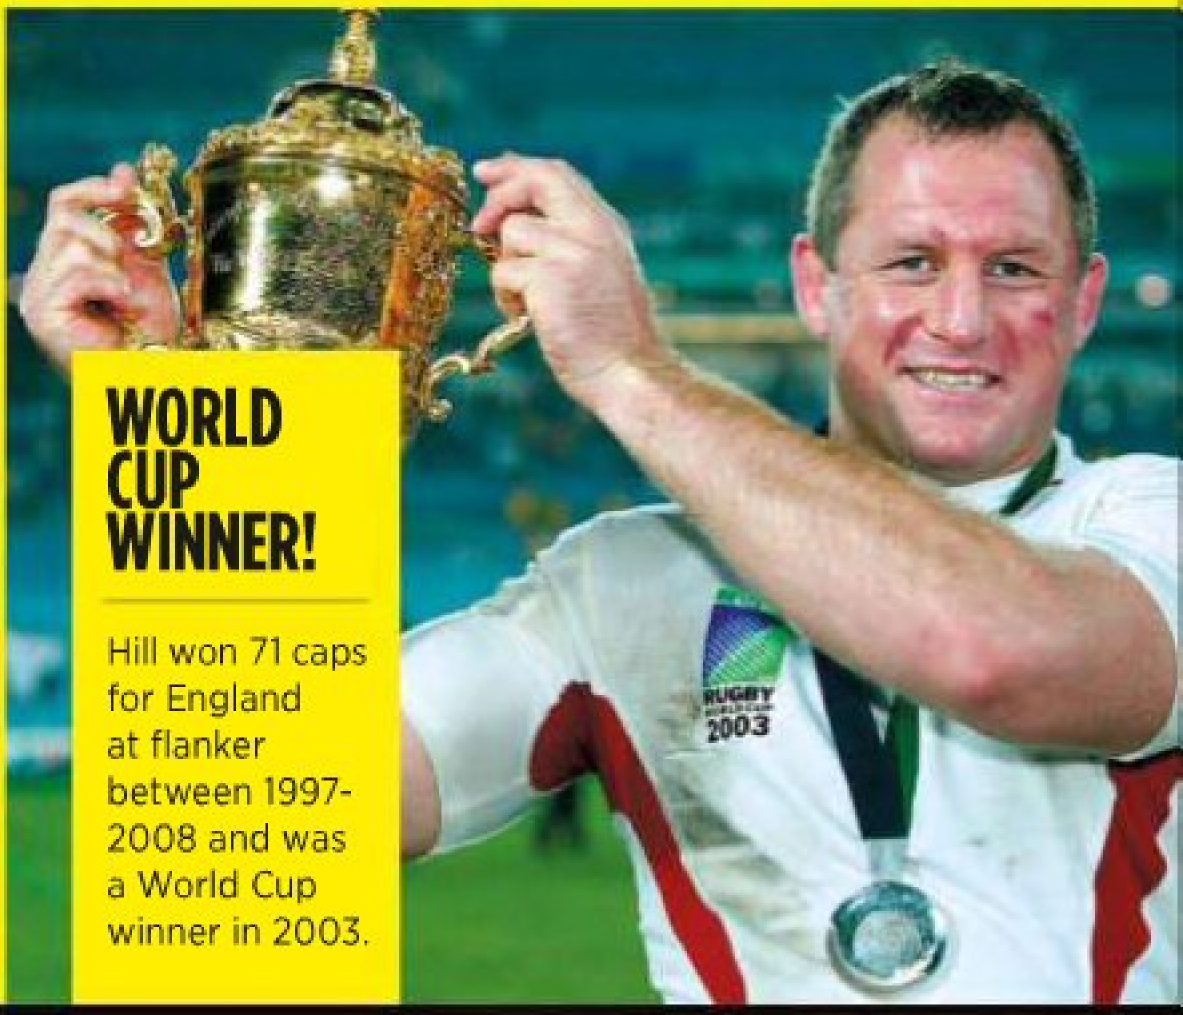
# The secrets of England's success!

**England legend Richard Hill on what's driving Stuart Lancaster's men forward!**

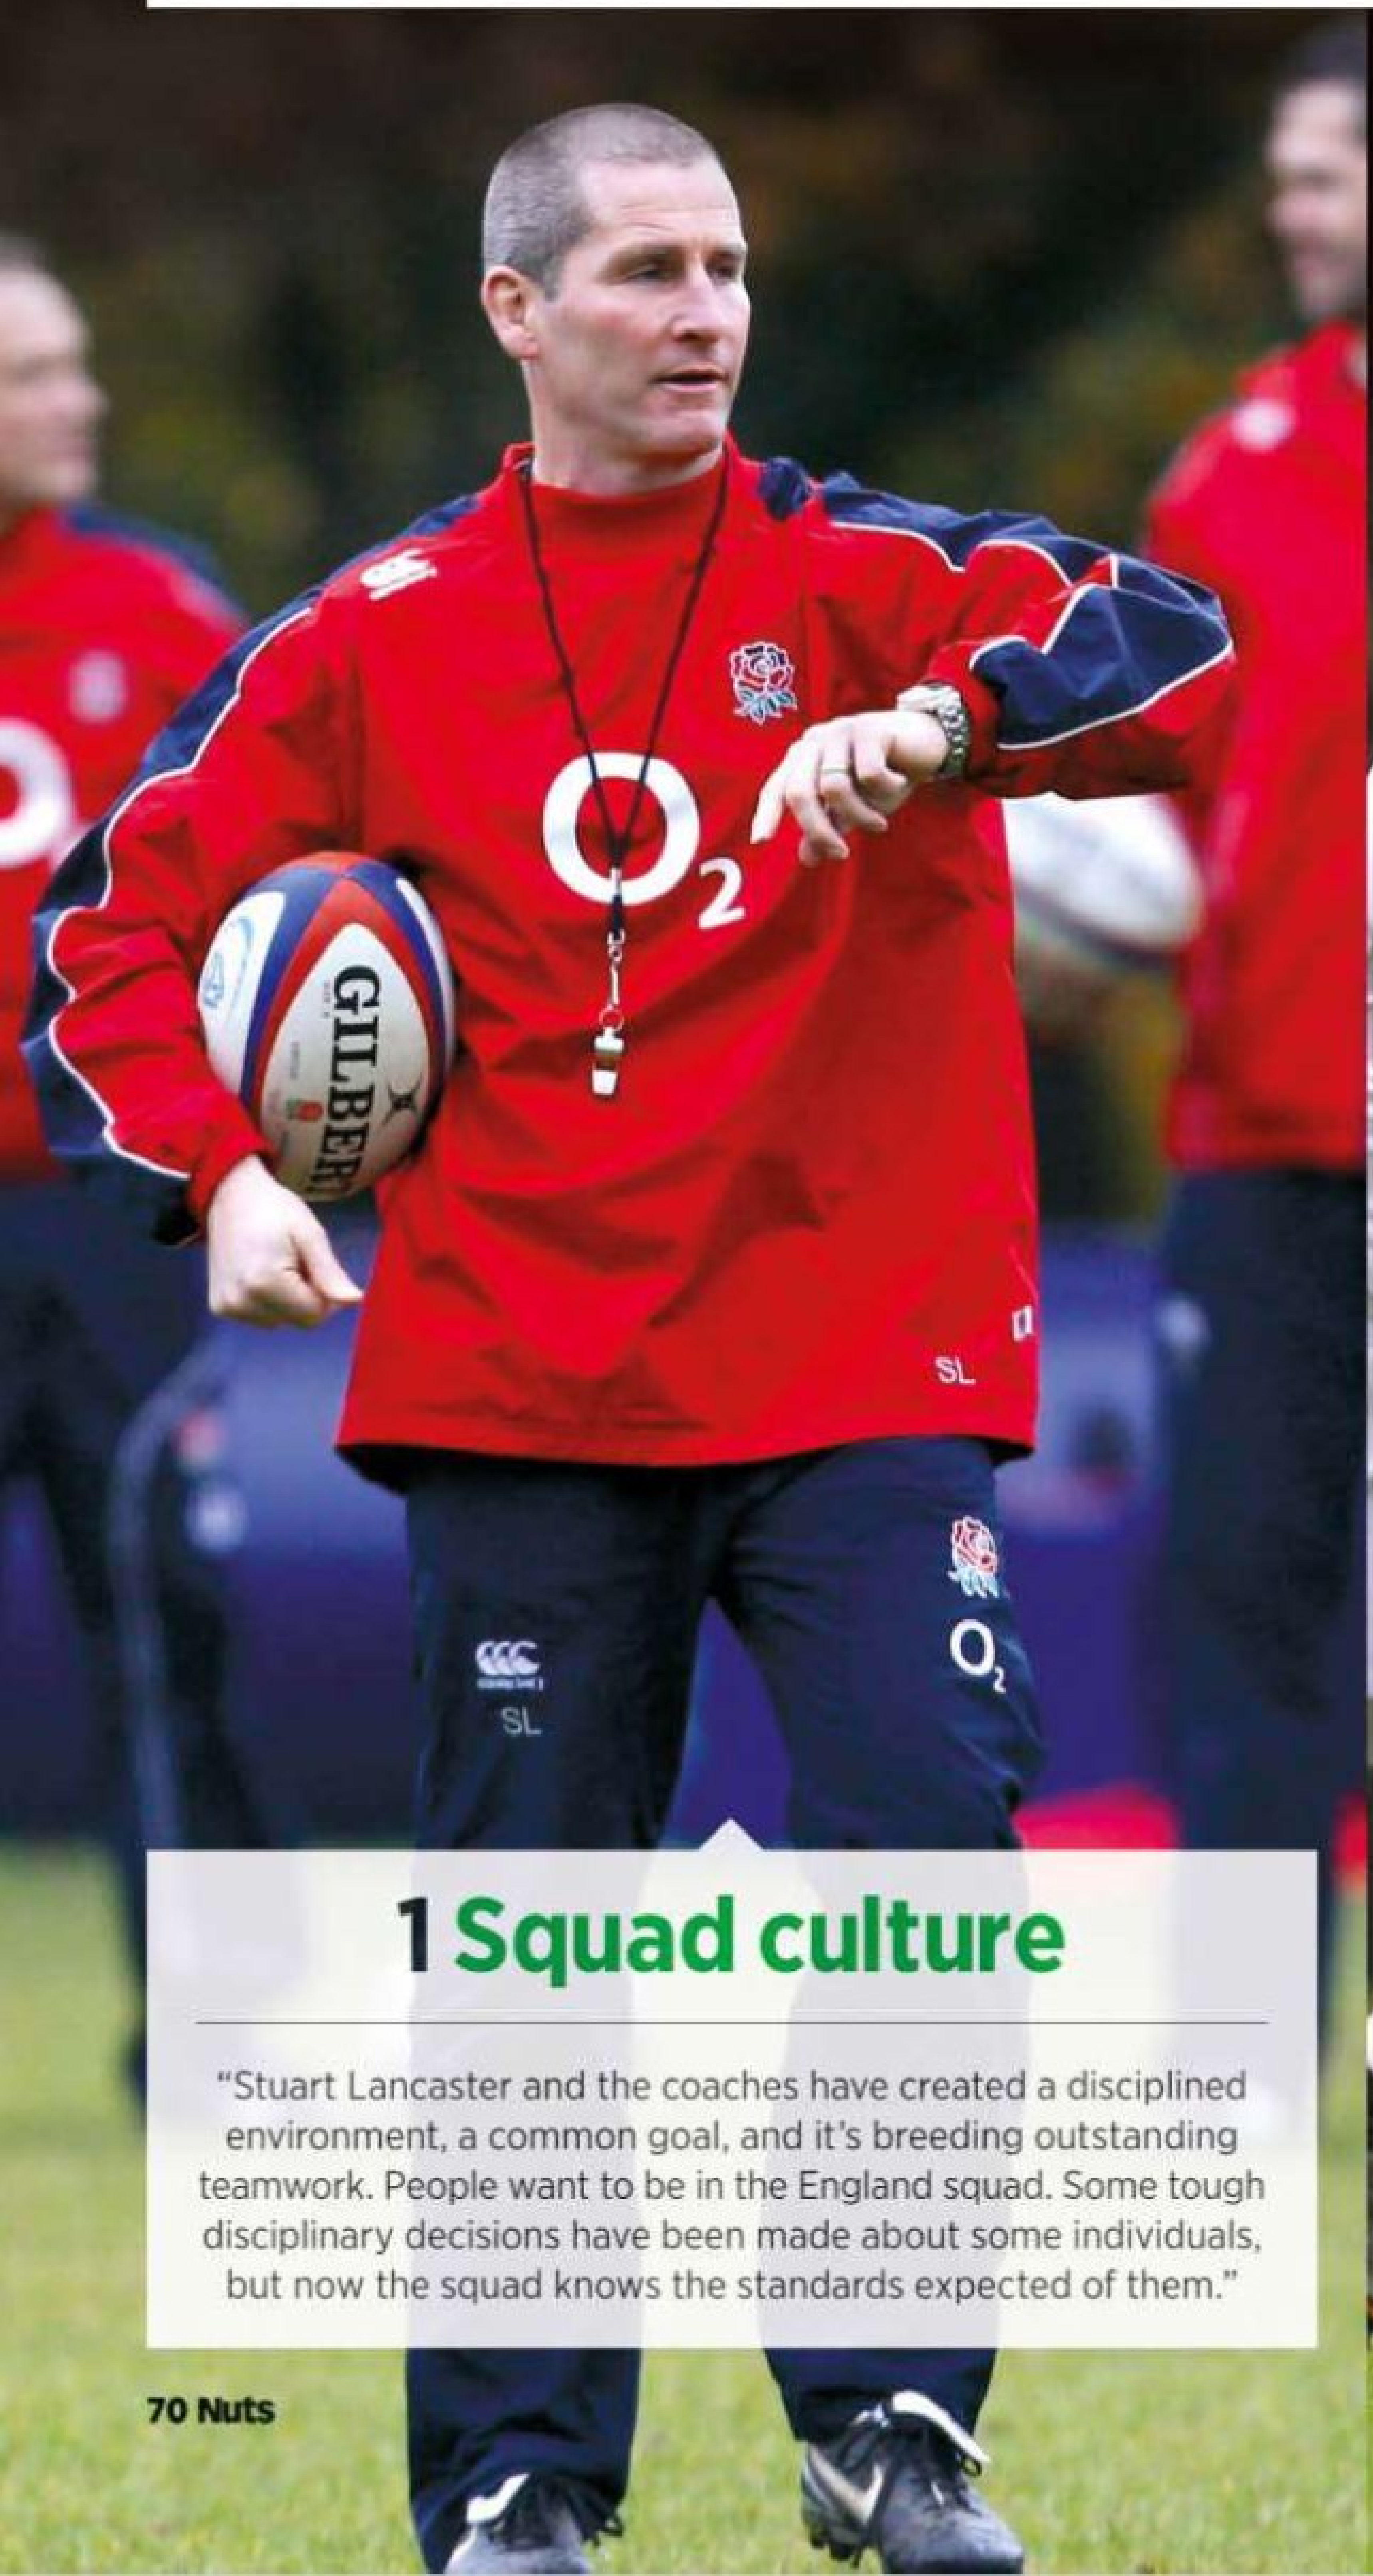
UNBEATEN IN the Six Nations, conquerors of the All Blacks... things are starting to look good for England's rugby union side. So what are they doing right under head coach Stuart Lancaster? England legend and World Cup winner Richard Hill explains...

● England vs France, Sat 23 Feb, 5pm, BBC1/HD



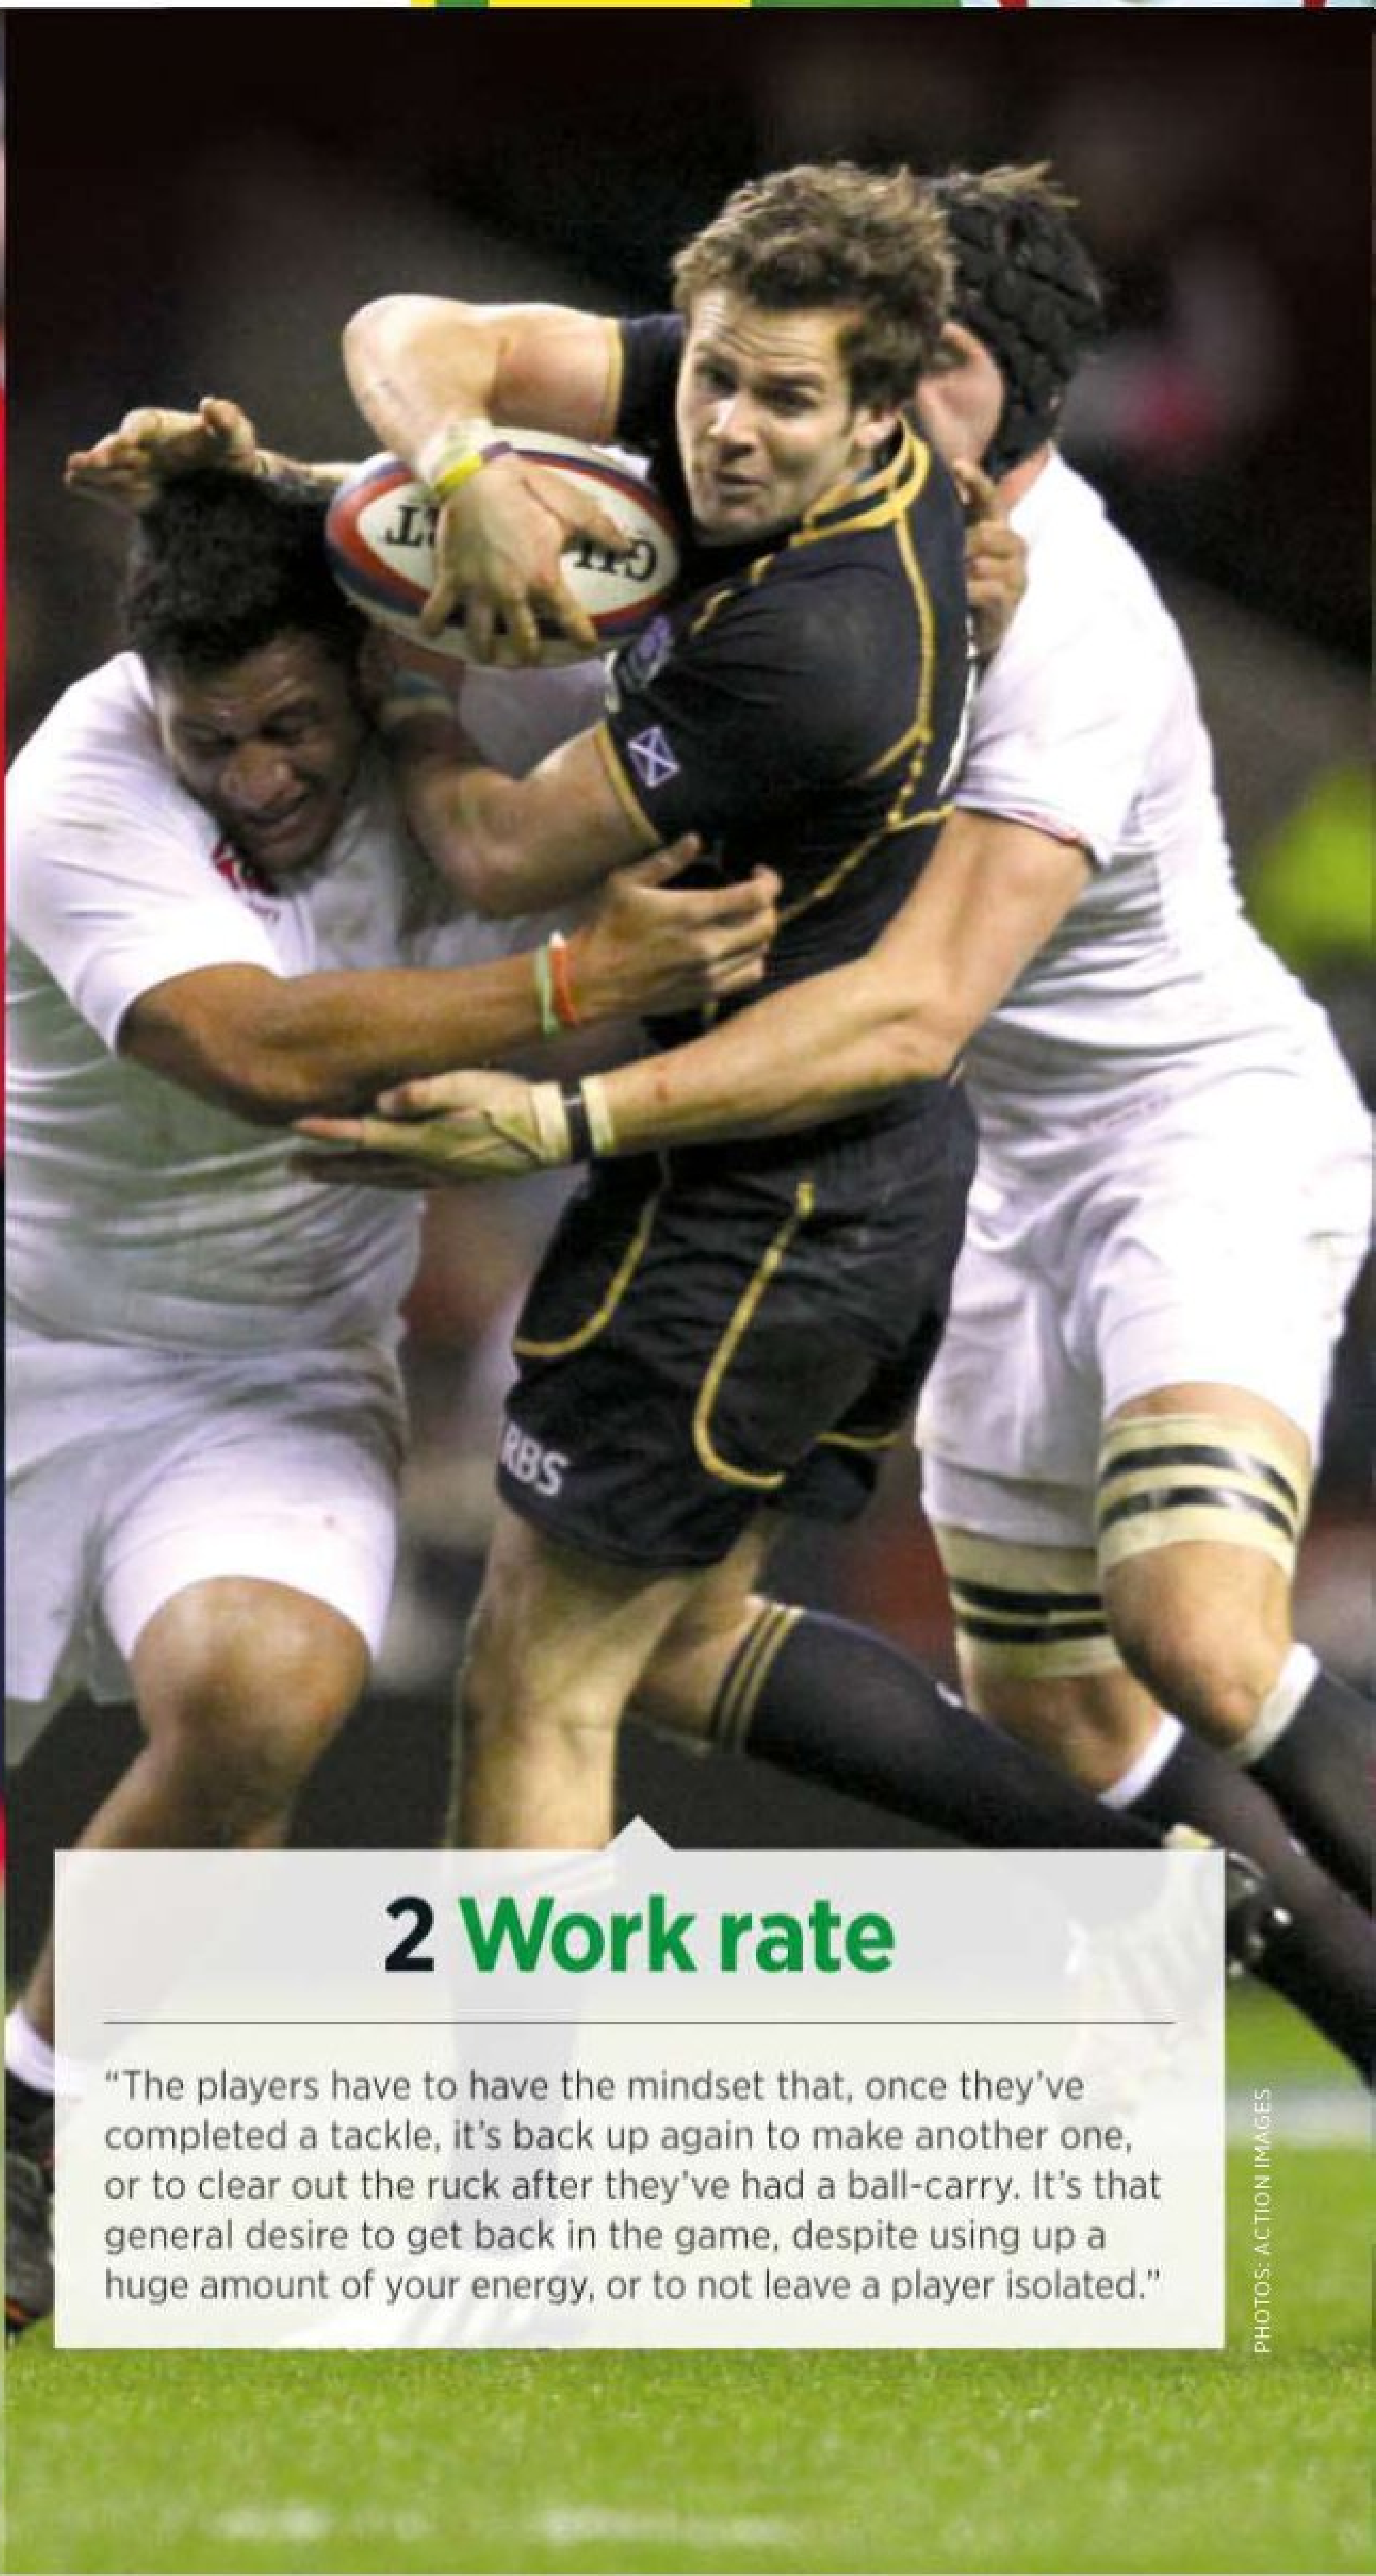
**WORLD CUP WINNER!**

Hill won 71 caps for England at flanker between 1997-2008 and was a World Cup winner in 2003.



## 1 Squad culture

"Stuart Lancaster and the coaches have created a disciplined environment, a common goal, and it's breeding outstanding teamwork. People want to be in the England squad. Some tough disciplinary decisions have been made about some individuals, but now the squad knows the standards expected of them."



## 2 Work rate

"The players have to have the mindset that, once they've completed a tackle, it's back up again to make another one, or to clear out the ruck after they've had a ball-carry. It's that general desire to get back in the game, despite using up a huge amount of your energy, or to not leave a player isolated."

PHOTOS: ACTION IMAGES

## 3 A clear gameplan

"Twelve months ago the gameplan was simplified, so everyone had a small number of criteria to make the team perform well. After a reasonably successful Six Nations, they'll have started expanding it. But everyone knows their role in the team and how they want to perform, which helps game management."

## 4 Defence

"This has underpinned England's success. Huge amounts of commitment, physicality, the line speed from a stationary start to put pressure on the attacking line, and also there's a huge completion rate of tackles – they make sure the opposition aren't crossing the game line and getting forward."

## 5 The breakdown

"England have been very effective in committing players to the breakdown, keeping the attacking game going, making sure the opposition cannot slow it down and get hands on the ball. Just as importantly, in defence they've been extremely physical with anyone who has been carrying the ball."

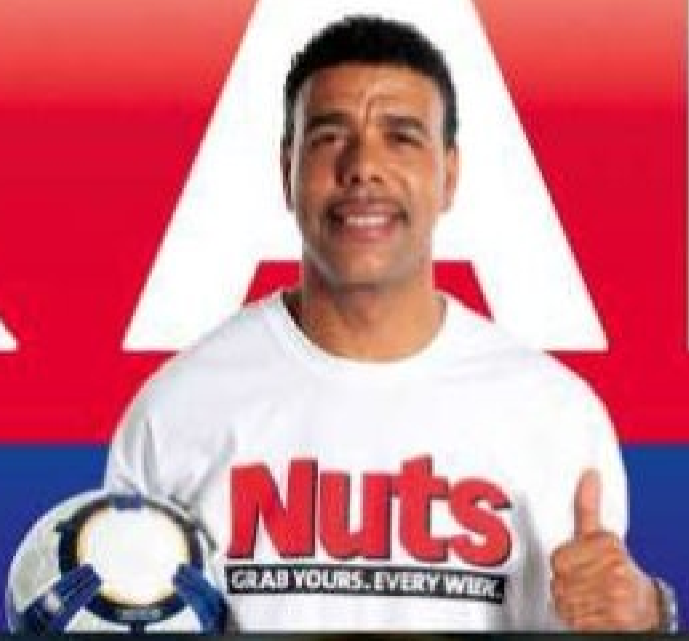
## 6 Momentum

"Rugby's no different from other sports – confidence comes from winning matches. The New Zealand win was, of course, outstanding. It would've been easy to get carried away, but they've held it together for a reasonable win against Scotland, and then an outstanding result in Ireland."

## Verdict

"Good, but there has to be an understanding that they're only just starting to play together as a team, I think 14 games. As they master the current simple gameplan, they'll add to it – they've fine-tuned the defence, so next they'll develop the attack."

# KAMMY!



He's the voice of the fans – and he's only in *Nuts*!

"Oh good grief! Kammy isn't wearing any pants!"

## United have the edge!

### The team selection looked odd but Sir Alex did it yet again!

**I THINK** that everyone looked at the Manchester United team selection at Real Madrid last week and thought, "Flippin' hell, Fergie, what are you doing?" They'd set up with two up top – Rooney and Van Persie – and Welbeck on the left. Nobody would have expected them to be so open, but the maestro got it right again. OK, De Gea had to make some saves, but that's what he's there for.

But what a header from Cristiano Ronaldo! He's got everything. A lot of people have been on at me on Twitter because I come down on the side of Messi in the best in the world debate. They were saying Messi couldn't do that. Well, no he couldn't as he's not big enough! But his heading is still pretty decent – he won the Champions League final with a header, and Ronaldo doesn't dribble past people in the same way Messi does.

Anyway, I digress. As much as Mourinho was putting on a brave face, I think he knew that he had to take a lead to Manchester so that Real could sit back and make United come at them, which they can't do. If they'd won by a single goal, it's on Manchester United to have to score, and the counterattacking would have suited Real better.

Sir Alex will be more than chuffed with what he's taking back to Old Trafford.

It was an odd time to play Twister

## Celtic are right to feel aggrieved!

**THE MANHANDLING** of Celtic players every time there was a corner in the Juventus game was a joke! What are assistant referees for if not to be able to spot, pinpoint and deal with stuff like that?

There isn't a law that says you can't stand in front of the goalkeeper, but there is one that says you can't impede him, so if I'm a defender, I can't strong-arm you out of the way just because you've stood in front of my goalkeeper.

Legal blocks are a part of the game, but to grab hold of someone and hurl them into the net isn't and the ref allowed it to happen all night long. Uefa need to come out and say that's not acceptable. The game doesn't need that.

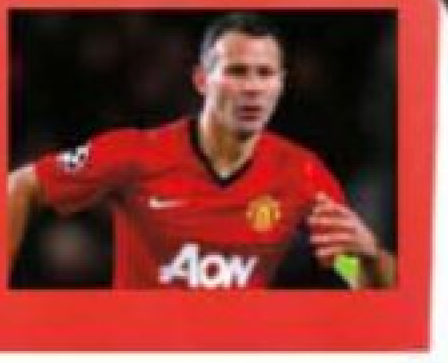
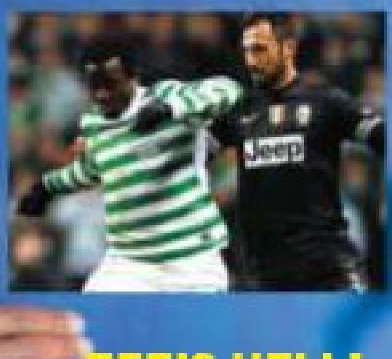
### UNBELIEVABLY GOOD!

**RYAN'S RECORD!**

Ryan Giggs has continued his record of scoring in every season of the Premier League – in his 23rd season. I doubt it'll ever be beaten.



### UNBELIEVABLY BAD!

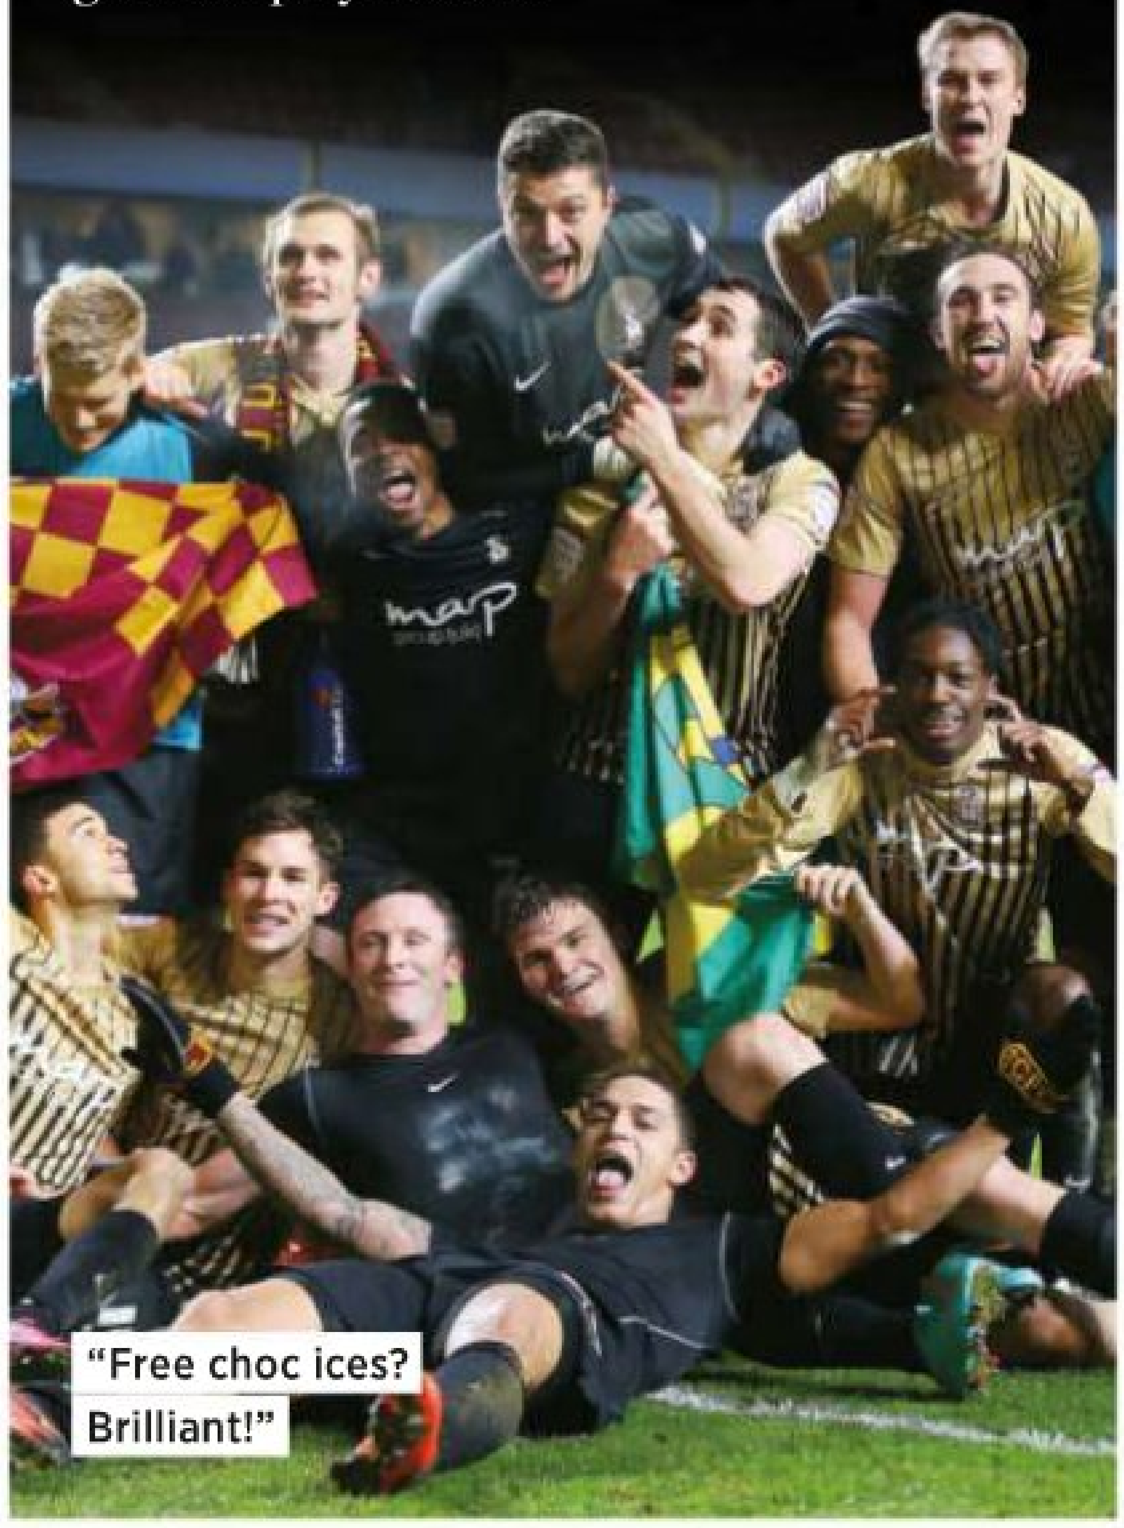


**EFE'S HELL!**

Efe Ambrose had a nightmare against Juve. I'm not sure if he celebrated too much after Nigeria's Africa Cup Of Nations win, but he had a shocker.

## Good luck to the lads at Bradford!

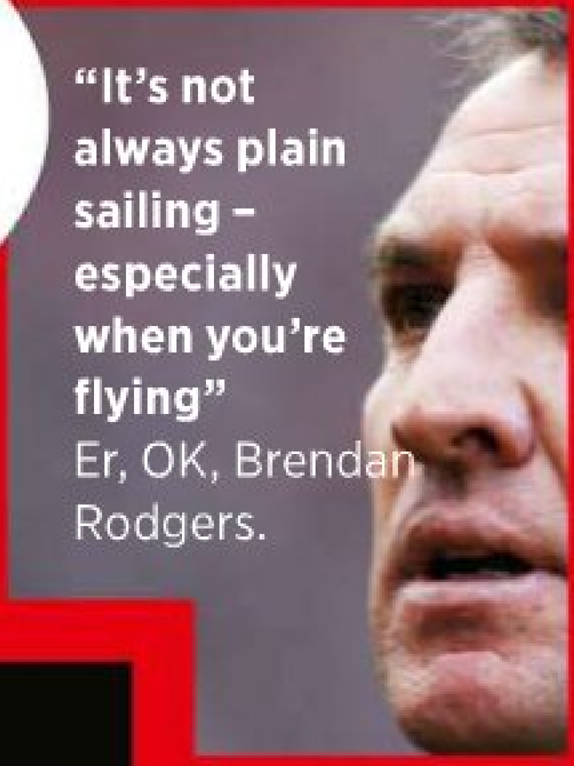
**WE'RE DOING** *Goals On Sunday* live from the Capital One Cup final, so I'm lucky to be going. Obviously, I have to stay neutral, but I have great memories of being the first manager to take Bradford to Wembley, for the old Division Two play-off final in 1996. It was a great day, 32,000 fans made the trip and there will be nearly as many again this time. It's just brilliant, it's a miracle they got there. Most of the neutrals will be rooting for them, but Swansea have confounded everyone, too – great signings for hardly any money, and manager Michael Laudrup has turned Wayne Routledge and Nathan Dyer into genuine playmakers.



"Free choc ices? Brilliant!"

# "Quote me on that!"

This week's biggest match debaters!



**"It's not always plain sailing – especially when you're flying"** Er, OK, Brendan Rodgers.

"The ball came down the right-hand left-hand side" Alan McInally doesn't know his right from left.

**"Now we're not only good, but we're handsome too"** Zlatan Ibrahimovic welcomes Becks to PSG.

**"It was a poor ball from Lickie Lambert"** Shearer's tongue-tied.

**"We made a b*llocks of it. We f**ked up and I'm p*ssed off"** Mick McCarthy's not happy.

**"I might go out with Jimmy Kebe"** Brian McDermott wants his way with the winger.

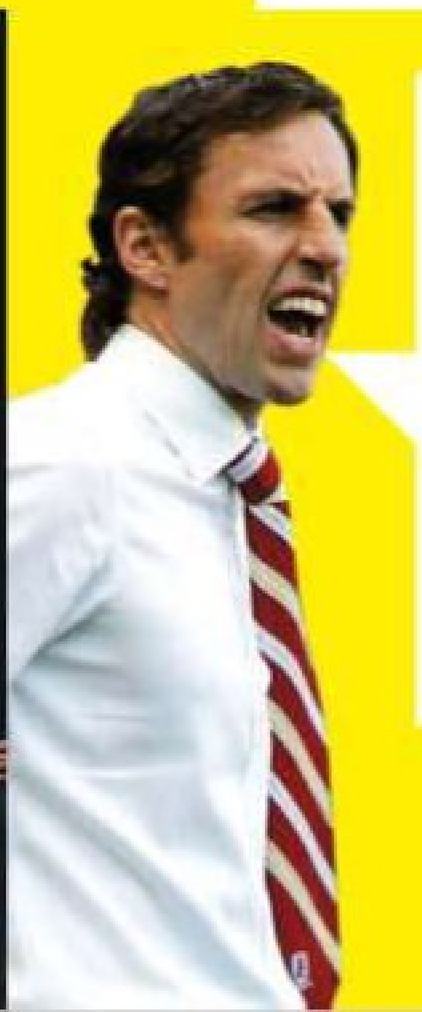
**"If I'm going to rob your house in the morning, I'm not going to tell you about it the night before"** Craig Bellamy gets crafty.

**"It makes me feel great when I see Jeremy Kyle slaughtering people"** Get out more, Kyle Walker.

## OO-ER SOUNDS A BIT RUDE CORNER!

**"When you see a big gash, it disturbs you"** Alan Pardew reveals his phobia.

**"I enjoy getting whacked around"** Has Theo Walcott been reading *Fifty Shades Of Grey*?



"No one's better than Peter Crouch at pulling off on the far post" Gareth Southgate sees Crouchy go through a sticky patch.
